Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit you to transfer from a community college to a campus in either the California State University (CSU) or the University of California (UC) system without the need, after transfer, to take additional lower division, general education courses to satisfy campus general education requirements. Completion of IGETC does not guarantee admission, nor is it required for admission.

The IGETC is not advisable for all transfer students. If you are pursuing a major that requires extensive lower-division preparation you may be better served by taking courses which fulfill the CSU General Education-Breadth requirements or those of the UC campus or college to which you plan to transfer. Majors may include, but are not limited to: Engineering, Business Administration, Computer Science, Pre-professional schools and Sciences.

Certification: Be sure to request certification when requesting transcripts be sent to your choice of university or college. All courses must be completed with grades of "C" or better. Please consult with a counselor or advisor regarding the use of courses from other colleges or universities. Students who choose to use the IGETC pattern are expected to complete all of the requirements of the pattern before transferring to a UC or CSU campus. However, if a student is unable to complete one or two IGETC courses he/she may be eligible for partial certification. Students should consult with a counselor or advisor for details regarding this option.

Area 6A (UC Only)

Languages Other Than English

Students transferring to UC are required to demonstrate competence (proficiency) in a language other than English equal to two years of high school study. Competence may be demonstrated through one of the following mechanisms:

1) Completion of two years of high school coursework (US high school or high school in a country where the language instruction is in English) in a language other than English, with a grade of C minus or better in each course. The two years must be in the same language.

2) Complete one of the following Citrus courses with a grade of "C" or better.
   - CHIN 101 or higher (FA 11)
   - GER 101 or higher
   - JPN 101 or higher
   - SPAN 101 or higher

3) Satisfactory completion of course(s) at a college or university with a grade of C or better in each course.

4) Satisfactory completion, with grades of C or better, of two years of formal schooling at the 6th grade level or higher in an institution where the language of instruction is not English. Appropriate documentation must be presented to substantiate that the required coursework was completed.

5) Achieve a satisfactory score on the SAT Subject Test in languages other than English. If the test was taken before May 1995, the first score is the minimum; if the test was taken after May 1995, use the second score.

6) Achieve a score of 3 or better on a College Board Advanced Placement (AP) Examination in a language other than English.

7) Achieve a score of 5 or higher on an International Baccalaureate (IB) Higher Level Examination in a language other than English.

US History, Constitution and American Ideals Requirement

“Avoid the Competition, Guarantee Yourself Admission”
University of California Transfer Admission Guarantee Program (TAG)

Seven UC campuses offer guaranteed admission to California community college students who meet specific requirements.

To qualify for a TAG with any of the UC TAG campuses, certain requirements must be met. If you are unsure about your ability to meet specified criteria, consult with an advisor or counselor prior to submitting your online UC TAG application.
