

The Registered Dental Assisting Program at Citrus College is scheduled for a routine site visit by the Commission on Accreditation of the American Dental Association on December 1-2, 2021.

Third party comments from students and patients are being solicited. Written third party comments are due in the Commission office by October 1, 2021.

All comments submitted must pertain only to the standards relative to the particular program being reviewed or policies and procedures used in the accreditation process. Comments will be screened by Commission staff for relevancy. Signed or unsigned comments will be considered.

For comments not relevant to these issues, the individual will be notified that the comment is not related to accreditation and, where appropriate, referred to the appropriate agency. For those individuals who are interested in submitting comments, requests may be made to the Commission office. All relevant comments will have names and/or signatures removed and will then be referred to the program at least fifty (50) days prior to the site visit for review and response. A written response from the program should be provided to the Commission office and the visiting committee fifteen (15) days prior to the site visit.

A copy of the appropriate accreditation standards and/or the Commission's policy on third-party comments may be obtained by contacting the Commission at 211 East Chicago Avenue, Chicago, IL 60611, or by calling 1-800-621-8099, extension 4653.
