Dear President Perri:

The purpose of this letter is to reserve the dates for your institution's comprehensive review per the Formative/Summative model (see attached) to assist the ACCJC with determination of reaffirmation of accreditation.

Your College's Team ISER Review is scheduled for **March 5, 2021**. It is here that the team will develop a series of Core Inquiries based upon the provided narrative and evidence. Following the Team ISER Review, the Team Chair will be in contact with you to provide an overview of the team's findings.

The Focused Site Visit is scheduled for the week of **October 11 – 15, 2021**. The duration of the visit will depend on the extent of the Core Inquiries and subsequent information and interview requests.

As your ACCJC liaison, I will be available throughout this process, and I look forward to working with you in partnership as we pilot the Formative/Summative model. In the fall, we will select your Peer Review Team which will include both academic and administrative representatives and are of an appropriate size and composition for your institution. You have the right to review the evaluation team members and report any conflicts of interest or concerns to the Commission before the team composition is finalized. For more information on this process, please see the attached Policy on the Rights and Responsibilities of the Commission and Member Institutions and Formative/Summative Approach information sheet.

Please sign the attached date confirmation form and email it to Elizabeth Dutton, Accreditation Process Manager, at edutton@accjc.org by **June 5, 2020**, to confirm your agreement to the above dates.

I look forward to hearing from you and to a seamless and productive comprehensive assessment of your institution.

Sincerely,

A handwritten signature in black ink, reading "Gohar Momjian". The signature is written in a cursive style with a long horizontal flourish at the end.
