AP 4610 INSTRUCTIONAL SERVICE AGREEMENTS

References: Education Code Section 78015 and 84752;
Title 5 Sections 51006, 53410, 55002, 55003, 55005, 55300-55302,
55600 et seq., 58051 subdivisions (c)-(g), 58051.5, 58055, 58056, 58058
subdivision (b), and 58102-58108

The following criteria shall be used as a guide in preparing instructional service contracts or agreements:

- Delegation of responsibility for instructional service agreements;
- Compliance with relevant policies and procedures;
- The responsibility of the Board of Trustees, prior to establishing a career/technical program, is to conduct a job market study of the labor market area, and determine whether or not the results justify the proposed career/technical program;
- A written agreement or contract with the contractor stating the responsibilities of each party and that the District is responsible for the educational program conducted on site;
- The inclusion of procedures, terms and conditions relating to: 1) enrollment period; 2) student enrollment fees; 3) the number of class hours sufficient to meet the stated performance objectives; 4) supervision and evaluation of students; and 5) withdrawal of students prior to completion of a course or program.

The agreement/contract shall contain terms and conditions relating to cancellation and termination of the arrangement.

Instruction claimed for apportionment under the instructional service agreement/contract, shall be under the immediate supervision and control of an employee of the Citrus Community College District who has met the minimum qualifications for instruction.

Where the instructor is not a paid employee, the Citrus Community College District shall have a written agreement or contract with each instructor conducting instruction for which full-time employees are to be reported and stating that the District has the primary right to control and direct the instructional activities of the instructor. The District shall list the minimum qualifications for instructors teaching these courses and ensure that the qualifications are consistent with requirements in other similar courses given in the District.

All courses or programs must be held at facilities which are clearly identified as being open to the general public. Enrollment in the course must be open to any person who has been admitted to the District and has met any applicable prerequisites. Board policy on open enrollment must be published in the District catalog, schedule of classes, and any addenda to the schedule of classes, along with a description of the course and information about whether the course is offered for credit and is transferable.

Degree and certificate programs must have been approved by the System Office and courses that make up the programs must be part of the approved programs, or the District must have received delegated authority to approve those courses locally.

The courses of instruction are specified in the agreement. The outlines of record for such courses are approved by the District's curriculum committee and the Board of Trustees, per Title 5 course standards.

The District will assure that faculty teaching different sections of the same course teach in a manner consistent with the approved outline of record. The faculty covered under the agreement and students shall be held to a comparable level of rigor.

Records of student attendance and achievement shall be maintained by the District. Records will be open for review at all times by officials of the District and submitted on a schedule developed by the District.

It is agreed that both contractor and the District shall ensure that ancillary and support services are provided for the students.

Citrus Community College District must certify that it does not receive full compensation for the direct education costs of the course from any public or private agency, individual or group.

The District is responsible for obtaining certification verifying that the instructional activity to be conducted will not be fully funded by other sources.

The District shall comply with the requirements of Title 5 Sections 55230-55232 concerning approval by adjoining high school or community college districts and use of non-District facilities, if classes are to be located outside the boundaries of the District.
