Refunds:

Refunds of the enrollment fee and nonresident tuition fee shall be processed automatically for each class the student withdraws from by the posted refund deadline date for that class. The health fee and/or student service fee will be refunded automatically if the student withdraws from all of his/her classes by the posted refund deadline date for each class. The parking fee shall be refunded if the student withdraws from all of his/her classes by the posted refund deadline date for each class, brings proof of said withdrawal to the Department of Campus Safety (Campus Safety), and returns the parking permit to Campus Safety. In the case of a member of an active or reserve military service who receives orders compelling a withdrawal from courses, a full refund shall be made upon verification of such orders unless academic credit is awarded.

Waiver of Fees:

The District may waive enrollment fees which were not collected in a previous session where the enrollment fees were not collected as a result of the District's error in awarding a California College Promise Grant (CCPG) to an ineligible student and not through the fault of the student, and to collect the enrollment fee would cause the student undue hardship.
