Office of the Superintendent/President
Greg Schulz, Ed.D.

September 16, 2021

Dear Campus Community,

Citrus College, in collaboration with the L.A. Department of Public Health, will be hosting a free **COVID-19 vaccine clinic** open to students, employees, and the community. As a campus community, we strongly encourage all of our students, faculty and staff to become vaccinated as soon as possible.

A vaccine clinic will be held *on campus* beginning **Friday, September 17 from 10 a.m. – 1 p.m.** and again on October 8 and 29. Please see the attached flyer for more details and note that while advance registration is helpful, walk-ins will be accepted.

Although the College has shared this information with our students, we would greatly appreciate it if faculty and staff could share this information today with students in your classes, programs and student clubs. Thank you in advance for your assistance.

Note - To sign up, visit myturn.ca.gov and enter "Citrus College" as your location. Make sure to register as an "individual" and not as a "group" (the group function does not work properly).

With appreciation,

Dr. Dave Ryba, CCFA President
Jorge Cortez, CSEA President
Dr. Robert Sammis, Director of Human Resources
Dr. Shauna Bigby, College Nurse
Dr. Greg Schulz, Superintendent/President
