January 2024

DID YOU KNOW?

Over the years, Citrus College alumni have accepted positions across diverse industries. The word cloud below lists the main organizations that have employed our students.

On the printed flyer, there is a word cloud image displaying 40 organizations, in various font sizes, that have employed Citrus College students. Organizations in larger font size indicate that a greater number of Citrus College students have been, or still are, employed there. Below are the top five organizations:

- 1. California State University**
- 2. University of California**
- 3. Disney**
- 4. City of Hope**
- 5. Kaiser Permanente**

Additional organizations include:

- 6. Northrop Grumman**
- 7. Emanate Health**
- 8. Azusa Unified School District**
- 9. University of Southern California**
- 10. Southern California Edison**
