

Did you know?

A key benchmark for community colleges in California is the percentage of students who successfully complete a transfer-level English or math course within a year.

- In 2023-2024, Citrus College achieved the highest transfer-level English and math completion rate among all community colleges in Los Angeles County.
- Within one year, 75% of students who enrolled in an English course for the first time completed a transfer-level English course. Similarly, 73% of students who took a math course for the first time successfully completed a transfer-level math course within the same period.
