COURSE-TO-COURSE EQUIVALENCES

This section lists all courses from the transfer institution that are equivalent to USC courses. Note that if two or more courses from the transfer institution are listed as “with,” all must be taken to receive USC equivalence.

REMINDER TO STUDENTS IN HIGH SCHOOL: You cannot receive equivalence to USC courses for courses taken before high school graduation, *but USC departments may waive prerequisites or course requirements based on these courses, on a case-by-case basis*. See your USC advisor after you are admitted for further assistance. Courses must be taught on the college campus by college faculty and not used toward high school graduation to earn credit; courses taught in a high school setting or exclusively to a high school student population, even if they are transcribed by a college or university, do not earn credit at USC.
