AUTOMOBILE PARKING PERMITS

Vehicles parked on campus must display a current permit. Employee permits are issued to faculty, CSEA members, supervisory/confidential employees, managers, college trustees, and foundation board and committee members only. Employee permits authorize parking in both student and employee lots. Employee permits are valid for thirteen months, beginning August 1 of each year through August 31 of the following year. All employees must order a parking permit online via the iParq parking system at <https://citruscollege.thepermitstore.com>

Upon activation, the permit will be mailed to the residence or may be picked up from Campus Safety should the employee choose that option.

Employee permits are issued to individual employees and are NOT transferrable. If an employee permit is used by anyone other than the employee, Campus Safety will cite the vehicle. If employment is terminated, the permit becomes invalid and must be returned to Campus Safety.

NO ADDITIONAL PERMITS

One permit per employee is issued, however two (2) vehicles may be registered to use the same permit. If you are switching vehicles, ensure the vehicle is registered to the permit and simply remove the permit from one vehicle and adhere it to the vehicle you will be driving.

Permits should be clearly displayed and affixed on the bottom of the driver's side front windshield, in accordance with California Vehicle Code 26708 (b) (3).

If you forget your permit, visit Campus Safety to obtain a temporary one day permit.

MOTORCYCLE PARKING

A separate motorcycle permit is required for this type of vehicle. This permit is also ordered through iParq. Permits must be displayed on the front right fork of the motorcycle. Motorcycle parking pads are indicated on the campus map. Do not park motorcycles in automobile stalls. This is a violation and the motorcycle will be cited.

PARKING and TRAFFIC REGULATIONS

1. Park in designated parking stalls only.
2. Vehicles must be parked entirely within a designated stall.
3. Do not drive against the designated traffic flow in the parking lots.
4. Vehicles must be parked facing into the stall (head in parking only).
5. Pedestrians have the right of way in the parking lots.
6. The speed limit in all parking lots is fifteen (15) miles per hour.
7. Vehicles must not be stopped behind a parked vehicle.

8. No overnight parking.
9. Parking on campus is for official campus business only.
10. No public transit parking allowed.

See [AP 6750](#) for a complete list of parking and traffic regulations

VISITOR PARKING

Visitor parking spaces are reserved for visitors only. Others parking in these spaces will be cited. If you have visitors coming to campus, contact Campus Safety at least two weeks before the visit to make arrangements for a parking permit.

CLIENT PARKING

The V4 parking lot is reserved for clients of the Cosmetology, Health Occupations and Dental Assisting programs while they are receiving services from these programs. Client parking restrictions also apply to the V3 lot which is designated for Golf Range patrons and the E1 lot which is designated for Performing Arts. Anyone parked in these areas without a special permit will be cited. These areas are identified by signs that read "Client Parking Only" or "Golf Range Only."

METERED PARKING

Metered parking spaces are available in the S1, S4, E6, and V2 lots. Metered spaces allow up to a maximum of 60 minutes. Do not park in meters that are out of order. Parking at those meters is not valid and the vehicle will be cited.

RED ZONES

Do not park in the red zone. These areas are for emergency access only. Parking in a red zone will result in a citation.

DISABLED PERSON PARKING

Disabled parking stalls are available in all campus lots. Vehicles using these stalls must display a valid disabled placard issued by the DMV. The minimum fine for illegally parking in a disabled stall is \$330.00.

RETIREE PARKING

Upon retirement from the District, employees may be issued a Lifetime parking permit. Please visit Campus Safety for details.

NO PUBLIC TRANSPORTATION PARKING

No parking for Metro Gold Line, busses, Park and Ride or any other public transportation services is allowed in any Citrus College lot. Vehicles will be cited.

CITATION PAYMENT PROCESS

Parking citations may be paid online by credit or debit card by visiting the iParq website at <https://citruscollege.thepermitstore.com> or via mail by enclosing the original citation along with payment by check (**do not mail cash**) to:

Citrus College
c/o Parking Citation Service Center
PO Box 60309
San Diego, CA 92166

CITATION APPEAL PROCESS

If you feel that you received a citation that was unjustified, you must file a citation appeal online at the iParq website <https://citruscollege.thepermitstore.com>

Per California Vehicle Code 40215, you have twenty-one (21) days to appeal the citation. Appeals which are submitted more than 21 calendar days after the violation will not be considered.

PARKING CITATION AUTHORITY

Parking citations are enforceable under the auspices of California Vehicle Code 21113(a).

LIABILITY

Be sure you roll up the windows, set your alarm and lock your car before leaving it. Citrus College is not responsible and assumes no liability for damage or theft of any vehicle or its contents.

Additional Parking

Per an agreement with Azusa Pacific University (APU), additional parking may be available in one APU off-campus parking lot. This lot is located on Foothill Boulevard and Alostia Avenue, approximately one block west of the Citrus College campus. This lot is designated as Citrus Annex #1.

Citrus College students who display a current Citrus College parking permit may park in the Citrus Annex #1 from 7:00 a.m. - 6:00 p.m. Monday through Friday.

This lot will be regularly patrolled by Citrus College Campus Safety and APU Campus Safety. Students who park in this lot are subject to both Citrus College and APU traffic and parking regulations. In compliance with APU policy, this lot is designated as a NO SMOKING area.

Students using the off-campus Citrus Annex parking lot should walk east on the sidewalk along Foothill Boulevard and use the crosswalks at the Foothill Boulevard/Citrus Avenue intersection to arrive at the northeast corner of the intersection in front of the Citrus College marquee. A pathway to the north of the marquee provides pedestrian access on to campus.

Subject to change without notice.

A permit does not guarantee a parking space close in proximity.
