

PROGRAM DESCRIPTION:

The Associate in Science in Business Administration for Transfer (AS-T) provides lower division preparation for students planning to transfer into business or business administration programs. Students will take courses in business as well as related fields required for business majors. This degree can lead students into several areas of concentration at four-year universities, including the following: business management, business law, marketing, finance, business ethics, and business communications. Visit: bit.ly/2Z5O1by
