

PROGRAM DESCRIPTION:

This Associate Degree for Transfer (ADT) in Computer Science provides students with an understanding of the concepts and practice of code development and problem solving. The degree prepares students for pre-professional careers and for curriculum at four year institutions leading to a baccalaureate degree in Computer Science. Students who complete this degree will be guaranteed admission with junior status to the California state University system and will be given priority admission to our local CSU campus. For more information please visit: bit.ly/30iHsPB
