

## PROGRAM DESCRIPTION:

The goal of the Political Science Program at Citrus College is to prepare students to develop a fundamental understanding of the systematic study of theories, institutions, and processes related to the distribution of power and its use in the maintenance of order and promotion of equality and justice. The core courses in the Political Science major will introduce students to the fields in the discipline:

- Political Theory, which includes the study of major philosophic works related to power and politics;
- American Government, which studies institutions and linkage organizations that characterize government in the United States;
