Technology grants are intended to help students make a technology purchase at Best Buy that will support their successful completion of courses while at Citrus College (receipts may be required).
- [Student Support Grant](#)  
Student Support grants are intended to provide one-time funds to help students with expenses that would otherwise prevent them from successfully completing courses at Citrus College.
- [Grocery Gift Card Program](#)  
Grocery gift cards are intended to support students who struggle with food insecurity. Since resources are limited, the program provides a one-time award to help students with food purchases on a first-come, first-served basis.

Thank you for your understanding and patience during this unprecedented time. The Citrus College community looks forward to helping you achieve your educational and professional goals.
