## CORONAVIRUS (COVID-19) EXPOSURE NOTIFICATION

Email to students and employees – March 1, 2022

DATE: March 1, 2022  
FROM: Robert Sammis and the COVID-19 Workgroup  
RE: COVID-19 Exposure Notification

Dear Citrus College Students and Colleagues,

I am writing to inform you that the college has recently received information about a confirmed case of Coronavirus 2019 (COVID-19) present on campus. The COVID-19 case was present in the following location(s):

- **Professional Center Building, third floor (PC 314), on Monday, February 28, 2022 from 11:30 a.m. to 12:45 p.m.**

Those who were in this classroom or had contact with the COVID-19 case have been notified. If you were in this classroom during the time referenced above and have not already been notified, please let me know via email, [rsammis@citruscollege.edu](mailto:rsammis@citruscollege.edu), and I will provide you with further instructions.

The following guidelines are offered as precautionary measures:

- Wear a face covering (mask) as currently required by the County of Los Angeles Department of Public Health while indoors regardless of vaccination status.
- Stay home when you are sick. Anyone with symptoms consistent with COVID-19 should remain at home in isolation for a minimum of 10 days plus at least three days after the resolution of fever (without fever-reducing medication) and improvement in other symptoms. District provided COVID-19 sick leave (80 hours) is available to full-time employees in addition to regular sick leave.
- Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use alcohol-based hand sanitizers that contain at least 60% alcohol.
- Cover your coughs and sneezes with a tissue, and then dispose of the tissue and clean your hands immediately. If you do not have a tissue, use your sleeve, not your hands, to cover your coughs and sneezes.
- Limit close contact with people who are sick, and avoid sharing food, drinks or utensils.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipes.

Please know that Citrus College is committed to the health and well-being of our students, faculty, staff and broader college community. In addition, here is a short list of credible sources for information:
