Students Urged to Wear Masks While Indoors

Please Wear a Mask While Indoors

In the past weeks, Los Angeles County (as well as surrounding counties and the state) has experienced an increase in the number of COVID-19 cases. The college is also experiencing an increase in the number of reported COVID-19 cases on campus.

While masks are not currently required to be worn by staff or students while indoors, consistent with the recommendation from the County of Los Angeles Department of Public Health, it is strongly recommended that students and staff wear a mask while indoors on and off campus. For additional information concerning mask wearing, please go to [COVID-19 Mask Wearing Rules and Recommendations](#).
