2020 Distinguished Alumni Award Nomination Form

Fill out form completely and return it to the Citrus College Foundation Office by March 31, 2019.

Citrus Alumni and Friends Association Distinguished Alumni Award Criteria

1. **Must have been a matriculating student at Citrus College.** The candidate did not have to graduate from Citrus Union High School and/or Citrus College, but must have registered as a student and enrolled in a credit class. Involvement in campus activities such as student government, specialized programs, athletics, student clubs, etc. while attending CUHS and/or CC are not required but will be highly considered as a factor. Active involvement as alumni to the institution will be considered a factor. Attendance at a seminar, community education classes, continuing education classes, non-credit classes, or any activity even if sponsored by the college, would not qualify for nomination as a candidate.
2. **Achieved a high level of accomplishment and recognition in his/her chosen professional career.** Achievement in a profession is not necessarily measured by the level within an organization or field, although it may be considered a factor. A teacher does not have to become a principal or administrator; a police officer does not have to become a captain or chief of police; an owner of a business does not have to gross millions of dollars per year in sales; an attorney's achievement can be measure in the pro bono work performed, or the merits of cases handled. Special awards received or recognition from his/her peers in their field of business or career will be considered a factor.
3. **Community service and significant involvement in the community.** Community service is not limited to the district's area. Community service would not include activities that are incidental to one's job, such as police officer assigned to youth services unit, that organizes sports activities in the city in which the candidate is employed as part of his/her duties. Community service would not include activities that are political in nature, whether on local, regional or international level. Active involvement in service groups, volunteer groups, educational groups, non-profit organizations, church or religious groups, etc. will be considered a factor.
4. **Possess moral and ethical principles.** The candidates not only possess these principles, they must exercise them in a way that is evident to everyone and to the community. The candidate must be a good ambassador of Citrus Union High School and/or Citrus College.
