Note: The compression option will not be available to counselors/coordinators hired after July 2011.

5.8.4 Weekly Hours and Days of Assignment

5.8.4.1 Assigned Time

For counselors with an assigned work year of 175 days the assigned work day will normally be scheduled as six (6) hours per day in a 4-day workweek. For counselors/coordinators with an assigned work year of 195 days the assigned work day will normally be scheduled as six (6) hours per day in a 5-day workweek. (Note the actual number of days per week may fluctuate due to legal and local holidays in which the campus is closed).

For example, if a counselor or coordinator is assigned to teach a three (3) unit/three (3) LHE class and the class meets for 3.4 hours per week the counselor/coordinator's assignment will be reduced by 6.8 hours for that week. If the class meets on a day in which the counselor is not assigned, the counselor shall be responsible to meet with the class as scheduled but may request to take any such days and substitute them for any other assigned day.

5.8.5.2 Counselors/coordinators who teach classes will schedule one (1) office hour per three (3) hours of classroom instruction. These office hours will be scheduled as part of the unassigned hours as set forth in Section 5.8.4.2.

5.8.6 Overload Assignments

5.8.6.1 An overload assignment occurs when a counselor/coordinator is assigned any class or extra assignment on a day in which the counselor/coordinator is not already assigned to work and/or beyond the counselor's/coordinator's assigned hours for the day of the assignment. Overload assignments will first be offered to full-time counselors/ coordinators. In the event no full-time counselor/coordinator is available to take the overload assignment, then the overload assignment may be assigned to an adjunct counselor.

5.8.7 Termination of a Coordinator Assignment

5.8.7.1 If a counselor who is provided a coordinator assignment voluntarily relinquishes her/his coordinator assignment or for any other reason is not continued in the coordinator assignment, he/she is entitled to a counseling assignment. The District will normally return such coordinator to the counselor role he/she previously occupied but reserves the right to assign the coordinator to a counseling position that best serves the interest of the District.

The District shall provide monies for the same dental and vision coverage as in the 2001-03 contract. Any change of provider or level of coverage for medical, dental, or vision insurance will be brought, upon recommendation by the District’s Insurance Committee to the Association for approval by its members.

Changes in the agreement between the District and the District’s medical provider that increase current benefits or clarify language, but do not decrease the level of current coverage, will be deemed accepted by the Association and the District. Representatives of the bargaining units will be provided with the language changes. The District will not assume the responsibility for any decrease in the level of coverage initiated by the provider after agreement is reached on the fringe benefit package.

If a Unit Member permanently leaves the employment of the District under any circumstances other than retirement, these retirement provisions are not applicable. The coverage provided shall be coordinated with Medicare Parts A and B for those Unit Members who are eligible. A Board approved leave shall constitute a year of service for the purpose of

computing eligibility for this benefit. A Board approved leave shall not constitute a break in consecutive service for the purpose of computing eligibility for this benefit.

10.6.1 To be eligible to retire with District paid medical, dental, vision, and prescription insurance, the Unit Member must submit a letter of retirement to the Superintendent/President, or his or her designee, along with an "Application for Retirement Benefits" prior to date of retirement.

For each additional 10 consecutive years of full-time service to the District the Unit Member will receive one (1) more year of District-paid medical, dental, vision, and prescription insurance up to a maximum of two (2).

<u>Years of Consecutive Service:</u>	<u>Benefits Paid to Age:</u>

This amount shall become effective and payable on the first of the month following the month of retirement, but not before the first month after the Unit Member's 55th birthday.

<u>Years of Full-Time Consecutive Service:</u>	<u>Annual Amount:</u>
30	\$2,500
25	\$2,250
20	\$1,875
15	\$1,250
10	\$1,000

A Board approved leave shall not constitute a break in consecutive service for the purpose of computing eligibility for these benefits.

- 10.6.4 The District will pay \$5,000 as a bonus to a Unit Member (after the Unit Member's 55th birthday, providing said Unit Member has at least 10 consecutive years of full-time service to the District prior to retirement) if said Unit Member submits a retirement letter by September 15 of the last year of service.

ARTICLE 11 – DISPUTE PROCEDURE

11.1 Definitions

- 11.1.1 A “dispute” is a claim by a Unit Member that there is a conflict other than a grievance as defined in Article 12.
- 11.1.2 For the purposes of Article 11 “academic year” is the period commencing with the date on which convocation is held and ending with the date on which commencement is held. Winter and Summer intersessions are excluded from this definition of the academic year.
- 11.1.3 For the purposes of Article 11, a “day” shall mean any day during the academic year in which the college is open, excluding Saturday and Sunday.

11.2 Purpose

- 11.2.1 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to disputes. The District and the Association commit to engaging in meaningful discussions at each level of the dispute procedure.
- 11.2.2 Both parties agree that these proceedings shall be kept as informal as may be appropriate at any level of the procedure.
- 11.2.3 A disputant may request that the Association represent him/her but nothing contained herein will be construed as limiting the right of any Unit Member having a dispute to discuss the matter informally with any appropriate member of the administration, and to have the dispute adjusted without intervention of the Association, provided that such adjustment is not inconsistent with the terms of this Agreement, and that the Association has been given a copy of the dispute and the proposed resolution and has been given an opportunity to respond.
- 11.2.4 Since it is important that disputes be processed as rapidly as possible, the time limits specified at each level should be considered to be maximums and every effort should be made to expedite the process. The time limits may, however, be extended by a written mutual agreement.
- 11.2.5 In the event that a dispute is filed at such a time that it cannot be processed through all the steps in this dispute procedure or is still unresolved by the end of the academic year, the time limits set forth herein may be adjusted so that the procedure can be completed prior to the end of the academic year, or as soon thereafter as may be agreeable to the disputant and the District. Any agreement to adjust the time limits pursuant to this section shall be in writing. In the absence of such a written agreement no agreement to adjust the time requirements shall be inferred.

11.3 Procedure

11.3.1 Level One

- 11.3.1.1 A Unit Member shall first discuss the dispute with the appropriate dean, and/or appropriate vice president in that order, either individually or with the Association’s designated representative with the objective of resolving the matter informally. Should the Unit Member not have a dean, the Unit Member shall begin the procedure with the appropriate vice president.

11.3.2 Level Two

11.3.2.1 If within 30 days following the informal discussion provided at Level One the Unit Member is not satisfied with the disposition of the dispute, the Unit Member may file the dispute in writing with the Superintendent/President of the District or the Superintendent/President's designee and also may file the dispute with the president of the Association or the president's designee. If said dispute is not filed within the specified 30 days, it shall not be subject to further consideration and shall be deemed settled on the basis of the decision last made at Level One.

11.3.3 Within 14 days after receipt of the written dispute by the Superintendent/President of the District or the Superintendent/President's designee, the Superintendent/President or the Superintendent/President's designee shall meet with the Unit Member and, if requested by the disputant, the president of the Association or the president's designee in an effort to resolve the dispute. The decision, including stated reasons for said decision, of the Superintendent/President, or Superintendent/President's designee, shall be presented to the disputant and the president of the Association in writing within seven (7) days following the meeting at Level Two.

11.4 Rights of Unit Members to Representation

11.4.1 No reprisals of any kind shall be taken by the Board, the Superintendent/President of the District, or by any member or representative of the administration of the District against any Unit Member with a dispute, any member of the Association, or any other participant in the dispute procedure by reason of such participation.

11.4.2 The disputant may represent himself/herself at all stages of this procedure, and if requested by the disputant, he/she may be represented by the president of the Association or the president's designee.

11.5 Miscellaneous

11.5.1 If a dispute arises from action or inaction by the Superintendent/President, the disputant shall submit such dispute in writing directly to the Superintendent/President of the District, the president of the Board, and the Association. The processing of such a dispute shall commence at Level Two.

11.5.2 Dispute meetings normally will be scheduled by the District so as not to conflict with classroom duties. However, if the meeting is expected to be of such duration that it would extend beyond the normal business hours of the District's administrative office, the District shall provide released time with no loss of pay to the disputant, witnesses, and, if requested, the president of the Association or the president's designee so that the session can be accommodated within such business hours. This shall constitute "reasonable periods of release time" within the meaning of Government Code 3543.1 (c).

11.5.3 In order to encourage a professional and harmonious disposition of Unit Members' complaints, it is agreed that from the time a dispute is filed until it is processed, neither the disputant nor the Association nor the District shall make public either the dispute or evidence regarding the dispute.

- 11.5.4 All procedural documents, communications, and records dealing with the processing of a dispute will be filed in a separate dispute file and will not be kept in the personnel file of any of the participants. With the approval of the Superintendent/President of the District or the Superintendent/President's designee, the file may be opened, but only in the presence of the Association president or the president's designee, except that the disputant may examine the disputant's file at any time.
- 11.5.5 Forms for filing disputes, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be prepared by the Human Resources Office. Such forms shall be posted on the District's website. A Unit Member may request a copy from Human Resources. Human Resources will provide a copy within 72 hours of receipt any such request.

- 12.1.4 For the purposes of Article 12, a “day” shall mean any day during the academic year in which the college is open, excluding Saturday and Sunday.

12.2 Purpose

- 12.2.1 The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to grievances. The District and the Association commit to engaging in meaningful discussions at each level of the grievance procedure.
- 12.2.2 Both parties agree that these proceedings will be kept as informal as may be appropriate at any level of the procedure.
- 12.2.3 The aggrieved person(s) may request that the Association represent them, but nothing contained herein will be construed as limiting the right of any Unit Member having a grievance to discuss the matter informally with any appropriate member of the administration, and to have the grievance adjusted without intervention by the Association, provided that such adjustment is not inconsistent with the terms of the Agreement and that the Association has been given a copy of the grievance and the proposed resolution, and has been given an opportunity to file a response.
- 12.2.4 Since it is important that grievances be processed as rapidly as possible, the time limits specified at each level should be considered maximum and every effort should be made to expedite the process. However, the time limits may be extended by mutual written agreement.
- 12.2.5 In the event a grievance is filed at such a time that it cannot be processed through all of the steps within this grievance procedure by the end of the academic year. The time limits set forth herein may be adjusted so that the procedure may be completed prior to the end of the academic year, or as soon thereafter as may be agreeable to the grievant and the District. Any agreement to adjust the time limits pursuant to this section shall be in writing. In the absence of such a written agreement no agreement to adjust the time requirements shall be inferred.

12.3 Procedure

12.3.1 Level One

12.3.1.1 Within 45 days of the Unit Member's discovery of the alleged violation, an aggrieved person will first discuss the grievance with the appropriate immediate management supervisor and if unresolved, the appropriate dean, and if still unresolved with the appropriate vice president in that order, either individually or with the Association's designated grievance representative with the objective of resolving the matter informally. Should the aggrieved person not have a dean, the aggrieved shall begin the procedure with the vice president. The highest level administrator seen will respond, in writing, to the aggrieved person within a period of 10 days.

12.3.2 Level Two

12.3.2.1 If the aggrieved person is not satisfied with the disposition of the grievance at Level One, the aggrieved person may file the grievance in writing, on the appropriate District form from the Office of the Superintendent/President, with the Superintendent/President of the District or his/her designated vice president within 10 days following the decision at Level One.

12.3.2.2 Within 14 days after receipt of the written grievance by the Superintendent/President of the District or the Superintendent/President's designated vice president, the Superintendent/President of the District or the Superintendent/President's designated vice president, will meet with the aggrieved person, and if requested by the grievant, the president of the Association or the president's designee, in an effort to resolve the grievance. The decision, including stated reasons for said decision, of the District Superintendent/President or the Superintendent/President's designated vice president, shall be presented to the grievant and the president of the Association in writing within seven (7) days following the meeting at Level Two.

12.3.3 Level Three

12.3.3.1 If the aggrieved person is not satisfied with the disposition of the grievance at Level Two, the president of the Association or the president's designee, may, within an additional 10 days, submit notice, in writing, to the Superintendent/President or the Superintendent/President's designated vice president, that the grievance is being submitted to arbitration

12.3.4 Submission to arbitration shall be made by the Association to the State Mediation and Conciliation Service. The parties shall then be bound by the rules and procedures of the State Mediation and Conciliation Service in the selection of an arbitrator and the arbitrator shall proceed under the rules of said service.

12.3.5 As soon as possible and in any event not later than 14 days after the District receives the written notice of the aggrieved person's desire to arbitrate, the parties shall attempt to agree upon an arbitrator. If no agreement is reached within said 14 days, an arbitrator shall be selected from a list of seven (7) arbitrators supplied by the State Mediation and Conciliation Service by alternate striking of names until one name remains. The party who strikes the first name shall be determined by lot. If the arbitrator selected will not be available for the hearing within a reasonable period of time, not exceeding 60 days, the parties shall proceed to select another arbitrator from above list.

- 12.3.6 If the District claims that a grievance should be dismissed because it falls outside the scope of the procedure, or was filed or processed in an untimely manner, or that the grievance has become moot, or that a party has breached the confidentiality provisions, then such a claim shall, at the option of the District, be heard and ruled upon by an arbitrator prior to any hearing on the merits of the grievance, with a suitable stay/continuance between such a ruling and any further proceedings which the arbitrator deems necessary.
- 12.3.7 The arbitration shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation of this Agreement in the respect alleged in the grievance. The decision of the arbitrator shall be based solely upon the evidence and arguments presented to him by the respective parties in the presence of each other and upon arguments presented in briefs.
- 12.3.8 The arbitrator may hear and determine only one grievance at a time unless the District and the grievant(s) expressly agree otherwise. However, both parties will in good faith endeavor to handle in an expeditious and convenient manner cases which involve the same or similar facts and issues.

12.4 Arbitrator's Decision

- 12.4.1 The arbitrator's decision will be in writing and will set forth all findings of fact, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any recommendation which requires the commission of act prohibited by law or which violates the terms of this Agreement. However, it is agreed that the arbitrator is empowered to include in the arbitrator's decision such financial reimbursement or other remedies as is judged to be proper. The decision of the arbitrator will be submitted to the Board, the Superintendent/President of the District, the grievant, and the Association.
- 12.4.2 The decision of the arbitrator within the limits herein prescribed shall be final and binding upon all parties to this contract.
- 12.4.3 All fees and expenses of the arbitrator shall be shared equally by the parties. Each party shall bear the expenses of the presentation of its own case.

12.5 Rights of Unit Members to Representation

- 12.5.1 No reprisals of any kind will be taken by the Board, the Superintendent/President of the District, or by any member or representative of the administration of the District, against any aggrieved person, any member of the Association, or any other participant in the grievance procedure by reason of such participation.
- 12.5.2 The aggrieved person may represent him or herself at all stages of the grievance, and if requested by the grievant, the president of the Association or the Association president's designee. The aggrieved person may not be represented by personal legal counsel in this local process.

12.6 Miscellaneous

- 12.6.1 If a grievance arises from action or inaction by the Superintendent/President or a Vice President, the processing of such grievance shall be commenced at Level Two.
- 12.6.2 Time limits provided in each level shall begin at the expiration of the previous time limit or the day following receipt of written decision by the parties in interest.

- 12.6.3 Grievance meetings normally will be scheduled by the District so as not to conflict with classroom duties. However, if the meeting is expected to be of such duration that it would extend beyond the normal business hours of the District's administrative office, the District shall provide released time with no loss of pay to the grievant, witnesses, and if requested, the president of the Association or the president's designee, so that the session can be accommodated within such business hours. This shall constitute "reasonable periods of released time" within the meaning of Government Code 3543.1(c).
- 12.6.4 In order to encourage a professional and harmonious disposition of Unit Member's grievances, it is agreed that from the time a grievance is filed until it is processed through arbitration, or decided to the mutual satisfaction of the grievant and the District, neither party shall make public either the grievance or evidence regarding the grievance.
- 12.6.5 All procedural documents, communications and records dealing with the processing of a grievance will be filed in a separate grievance file in the Office of the Superintendent/President and will not be kept in the personnel file of any of the participants. With approval of the Superintendent/President of the District or the Superintendent/President's designee, the file may be opened, but only in the presence of the Association's President or the President's designee, except that the grievant may examine the grievant's file at any time.
- 12.6.6 Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents will be prepared by the Human Resources Office. Such forms shall be posted on the District's website. A Unit Member may request a copy from Human Resources. Human Resources will provide a copy within 72 hours of receipt any such request.
- 12.6.7 At each step of the grievance procedure, the District representative may be assisted at the grievance meeting by the Director of Human Resources.
- 12.6.8 If the District fails to respond to a grievance as set forth in each step of the grievance procedure, the Association may file a separate grievance alleging a violation of the provisions of the grievance procedures.

ARTICLE 13 – SAFETY

- 13.1 The District shall provide as safe conditions as reasonably possible for the safety of the Unit Members while they are on District facilities and using those facilities provided for the purpose of carrying out their assigned responsibilities. The maintenance of safe working conditions is a joint responsibility between the faculty and the District.
- 13.2 The District shall provide, publish, and post rules for safety and the prevention of accidents, provide protective devices where they are required for the safety of the Unit Member, and provide suitable and safe equipment where such equipment is necessary for the conduct of the educational program and the operation of the District. Prior to the implementation of any change in safety rules and regulations, the District shall consult with the Safety Officer.
- 13.3 Unit Members are encouraged to submit written recommendations to their immediate supervisor or the Safety Officer regarding the maintenance of safe working conditions, facilities and equipment, repairs and modifications, and other practices designed to insure compliance with appropriate safety standards. If a Unit Member believes that his/her working conditions are unsafe, he/she may bring such concern(s) to the District Safety Officer and receive a written response to any such expressed concern.
- 13.4 Unit Members shall be responsible for observing all District safety rules.
- 13.5 The District shall provide and/or compensate/reimburse Unit Members for the cost of any and all personal safety equipment necessary for the performance of the Unit Members assigned duties. This provision shall be applicable, but not limited, to necessary safety shoes, safety glasses/goggles, safety gloves or other clothing, and/or breathing apparatus, etc.
- 13.6 If a Unit Member has a concern about the safety and/or safe operation of any aspect of the District's function(s), the Unit Member shall be empowered to articulate those concerns to the District Safety Officer, or the Unit Member's immediate supervisor, and to have those concerns discussed and responded to in writing.

ARTICLE 14 – PERSONNEL FILES

- 14.1 The District shall not base any adverse action against a Unit Member upon materials, which are not contained in the Unit Member's personnel file.
- 14.2 There shall be only one personnel file for each Unit Member. The Superintendent/President or the Superintendent/President's designee and the Unit Member shall have full access to the file, except that the Unit Member shall not be shown any document submitted in confidence prior to his/her employment in any position at the District (pursuant to Education Code Section 87031). A representative of the Association shall have access to said file with the Unit Member's written non-continuing authorization. A log shall be kept in each Unit Member's personnel file indicating the name of each person inspecting the file and the date of said inspection, except routine clerical transactions.
- 14.3 The information in the personnel file shall not be released to anyone other than the authorized persons listed above except as provided by law, nor shall copies of any documents in said file be made without the Unit Member's written non-continuing consent or as required by law except routine clerical transactions. Any material placed in a Unit Member's personnel file must be signed and dated by the originator/author and a copy identified as going into the file shall be given to the Unit Member prior to the original being placed in said file.
- 14.4 A Unit Member shall have the right to file an answer to any material submitted for inclusion in his/her file and such answer shall be attached to the file copy. Upon receipt of derogatory material to be placed in a Unit Member's personnel file, the Office of Human Resources will send, by email, to the Unit Member a statement that the material has been received and the right of the Unit Member to file an answer. A Unit Member who alleges that information in his/her file is false, erroneous as to facts or conclusions shall have the right to file a grievance for the purpose of having such information rectified or expunged.
- 14.5 A Unit Member shall have the right to place in the file such material as he/she determines may have a bearing on his position as a Unit Member.
- 14.6 Upon mutual consent of the Unit Member and the Superintendent/President, negative or derogatory material in a Unit Member's personnel file shall be destroyed after remaining in the file for a period of two (2) years.

ARTICLE 15 – LEAVES

15.1 Sick Leave

15.1.1 Unit Members shall be granted paid sick leave within the following provisions:

a) Regular Sick Leave

Full-time faculty shall earn sick leave on an annual basis as follows:

- 10 month employees 10 days per fiscal year
- 10-1/2 month employees 10-1/2 days per fiscal year
- 11 month employees 11 days per fiscal year
- 11-1/2 month employees 11-1/2 days per fiscal year
- 12 month employees 12 days per fiscal year

b) Extra Duty Sick Leave (Intersession and Overload)

Full-time faculty who teach during an intersession shall earn overload sick leave at the rate of one (1) hour of sick leave for each 18 hours of assignment. All sick leave earned under this provision shall be placed in an hourly sick leave account and may be used by a Unit Member for absences occurring during an intersession assignment or for an overload absence.

Full-time faculty who teach overload classes shall earn paid sick leave at the rate of one (1) hour of sick leave for each 18 hours of overload assignment. All sick leave earned under this provision shall be placed in a hourly sick leave account and may be used by a Unit Member for absence from an overload class or an absence from a class during an intersession.

c) Accumulated Sick Leave

At the beginning of each fiscal year, a Unit Member's sick leave accumulation shall be increased by the number of days of paid sick leave that she/he is entitled to under paragraph (a) above. Unused regular and extra duty sick leave shall accumulate year to year.

d) Extended Sick Leave

The purpose of this section is to implement the provisions of Education Code Section 87780, and is to be interpreted in a manner to be consistent with Education Code Section 87780. In addition to the annual sick leave earned under paragraph (a) above, each July 1 full-time faculty will be credited with an additional five months (100 days) of extended sick leave including any days of accumulated sick leave. Once a full-time Unit Member exhausts all regular sick leave and accumulated sick leave, any additional days of sick leave (not to exceed a maximum of 110 days for ten-month employees) shall be paid based on the difference between the Unit Member's regular pay and the amount actually paid to temporary employee or, if no temporary employee is hired, then the amount, based on the appropriate salary schedule that would have been paid to a temporary employee. The 100 days of extended sick leave renews each July but does not accumulate. Once a Unit Member exhausts regular sick leave and extended sick leave, the Unit Member may be placed on

an unpaid leave of absence or may be dismissed. This provision does not include extra duty sick leave credit.

Example 1: A Unit Member who works ten months per year earns 10 days per year. This employee is entitled to be absent a total of 110 days for the academic year (10) days plus 100 days of extended illness leave.

Example 2: A 10-month Unit Member on July 1 is credited with 10 days of sick leave and has 30 days of accumulated sick leave. After exhausting the 10 days of sick leave every additional absence will be charged to the 100 days of extended sick leave. Since the employee has 30 days of accumulated sick leave, 30 of the 100 days of extended sick leave will be compensated at the unit member's full salary. Any further absence will be charged to extended sick leave and the unit member will be compensated based on the difference of his/her regular salary and the amount actually paid or the amount that would have been paid to a temporary employee.

e) Utilization of Sick Leave

Sick leave may be used by a Unit Member when he/she is absent for illness or injury.

A Unit Member's sick leave balance will be charged one sick day for each scheduled day missed. Sick days may be charged based on a full or half day. Any absence on a day in which a unit member missed all of her/his scheduled assignment shall be charged as one day to his/her sick leave bank. Any absence on a day in which the Unit Member works a portion of a scheduled day shall be charged as a half day to his/her sick leave bank. A scheduled day is any day in which a Unit Member is assigned a class or hours as part of his/her assignment or a day in which the unit member has a scheduled department meeting.

If a Unit Member is absent for two consecutive calendar weeks or more, then he/she shall be charged five (5) days for each week absent.

For utilization of extra duty sick leave, refer to Section 15.1.1 b above.

f) Verification of Sick Leave

Upon return from any sick leave absence, a Unit Member is required to report his/her absence on the appropriate absence report.

A Unit Member who is absent for a period of more than five (5) consecutive scheduled days shall be required to provide verification from a doctor of the need to be absent due to illness or injury. This verification will be provided directly to the Office of Human Resources.

The District reserves the right to require a Unit Member upon return from a sick leave of absence of any duration to provide verification from a doctor of the need to be absent due to illness or injury. In the event that the District requires such verification, the cost of any such examination by a doctor will be paid by the District.

15.2 Personal Necessity Leave

A Unit Member may elect to use up to seven (7) working days of available paid sick leave, annually, in cases of personal necessity for the following purposes:

- a) Death of a member of the Unit Member's immediate family when additional leave is required beyond that provided under Bereavement Leave.
- b) As a result of an accident or illness involving the Unit Member's person or property or the person or property of his/her immediate family.
- c) Resulting from the Unit Member's appearance in any court or before any administrative tribunal as a litigant, party, or witness.
- d) To care for an ill parent, spouse, domestic partner, or child.
- e) Religious observances.
- f) Such other reasons approved by the Superintendent/President or his/her designee.

A Unit Member shall be entitled to use, without qualification, three (3) of the seven (7) working days of the personal necessity leave as unspecified personal necessity leave with reasonable notice, when possible, by notifying his/her department. Upon return from a Personal Necessity Leave, the Unit Member shall complete the appropriate absence report.

Flex days and graduation days shall be counted as one day each.

In the event that a Unit Member whose load consists of online education is absent due to personal necessity reasons for a period of two (2) work weeks or more and chooses to continue teaching his/her online education load, then a proportion of his/her absence equal to a proportion of his/her total online education load will be credited for purposes of days charged from regular sick leave.

15.3 Bereavement Leave (Paid Leave)

A Unit Member shall be granted necessary leave of absence with full pay if such absence is due to the death of an immediate family member of the Unit Member.

The leave shall not exceed three (3) working days or five (5) working days if travel is in excess of 400 miles. Bereavement Leave is not charged to personal necessity leave.

The immediate family, as used in this section, shall include the spouse/domestic partner, child/step-child, parent/step-parent, sibling/half-sibling, grand/great-grandparent, grand/great-grandchild, brother/sister-in-law, daughter/son-in-law, mother/father-in-law of the Unit Member or of the spouse/domestic partner of the Unit Member, or any other person for whom the Unit Member is legally responsible or any other member of the immediate household.

A Unit Member shall notify his/her department of the leave and, upon returning, shall complete the appropriate absence report.

Such leave shall be taken as soon after notification of death as possible, and no later than 10 working days.

Under special or unusual circumstances, and upon mutual agreement between the immediate supervisor and the Unit Member, leave may be taken at a later date than specified above, but in no event shall the leave be taken after one (1) year.

15.4 Industrial Accident and Illness Leave

A Unit Member shall be entitled to industrial accident and illness leave under the following rules and regulations:

- a) Accident or illness must have arisen out of and in the course of employment for the District and must be accepted as such by the District's third party Worker's Compensation administrator.
- b) Allowable leave shall be for up to 60 working days in any one (1) year for the same accident, and precedes the use of any regular sick leave.
- c) Allowable leave shall not be accumulated from year-to-year.
- d) Industrial Accident or Illness Leave of Absence shall commence on the first day of approved Industrial Accident/Illness Absence. Any days of absence associated with a claim for Industrial Accident/Illness that is not approved shall be charged against the Unit Member's sick leave.
- e) Payment for wages lost on any day shall not, when added to an award granted the Unit Member under the Worker's Compensation laws of the state, exceed the normal wage for the day.
- f) Industrial Accident Leave shall be reduced by one (1) day for each day of authorized absence regardless of a compensation award made under Workers' Compensation.
- g) When an Industrial Accident or Illness occurs at a time when the full 60 days shall overlap into the next year, the Unit Member shall be entitled to only the amount remaining at the end of the year in which the injury or illness occurred, for the same injury or illness.
- h) During any paid leave of absence, if the Unit Member receives payments from disability, he/she shall endorse to the District the temporary disability indemnity checks received due to the industrial accident or illness. The District in turn shall issue the Unit Member appropriate salary warrants for payment of salary, and shall make retirement and other authorized deductions.

15.5 Family Medical Leave

This provision shall be interpreted in a manner that is consistent with both state and federal statutes concerning family leave.

A Unit Member is eligible for leave if the unit member:

- a) Has been employed for at least 12 months and;
- b) Has been employed for at least 1,250 hours during the 12-month period immediately preceding the commencement of the leave.

A Unit Member, if eligible, shall be granted up to 12 weeks of unpaid leave for any of the following purposes:

- a) The birth of a child or to care for a newborn of the Unit Member.
- b) The placement of a child with a Unit Member in connection with the adoption or foster care of a child.
- c) To care for a child, parent, or spouse who has a serious health condition.

- d) A serious health condition that makes the Unit Member unable to perform the functions of his/her position.

Although the District recognizes that emergencies arise which may require a Unit Member to request immediate leave, he/she is required to give as much notice as possible of his/her need for leave. However, if leave is foreseeable, at least thirty (30) days' notice is required.

A Unit Member's current medical benefits, if any, shall continue uninterrupted through the duration of the Family Medical Leave and the leave shall not constitute a break in service.

15.6 Maternity Leave

A Unit Member is entitled to take up to six (6) months of unpaid leave during any period of disability due to pregnancy, childbirth, or related medical conditions. During any period of the six (6) months that the Unit Member is physically disabled and unable to perform her regular duties due to pregnancy, miscarriage, childbirth, or recovery there from, as certified by a physician, she shall be permitted to utilize her accrued sick leave. The six (6) months of leave provided for in this section shall be inclusive of any entitlement to leave under the Family Medical Leave.

A Unit Member requesting maternity leave shall specify, in writing, the length of the leave including the date on which the leave shall begin and the date on which duties are to be resumed and shall be determined by the Unit Member and the Unit Member's physician and be given to the division dean and the Office of Human Resources.

There shall not be discrimination against a Unit Member because of pregnancy in terms of compensation or conditions of employment nor shall she be discharged from employment.

15.7 Parental Leave

Parental leave means leave for the reason of the birth of a child or the Unit Member, or the placement of a child with a Unit Member in connection with the adoption or foster care of the child by the Unit Member. A Unit Member may use her/his sick leave for the purposes of parental leave for a period up to 12 weeks. Use of sick leave includes both fully paid sick leave and extended sick leave. This leave runs concurrent with any parental leave pursuant to state and/or federal family leave. A Unit Member shall not be provided more than one (1) 12 workweek period for parental leave during any 12-month period.

15.8. Leaves of Absence without Pay

The Board of Trustees may grant a leave of absence for one (1) year without pay to a Unit Member for special reasons acceptable to the Board of Trustees.

- a) Each request for leave shall be presented, in writing, to the Superintendent/President, or his/her designee, with a copy to the Unit Member's immediate supervisor.
- b) Such request shall include date(s) of leave and reason(s) for leave.
- c) The Unit Member, while on leave of absence without pay, shall not be employed by the District in any capacity.

15.9 General Leaves

When no other leaves are available, a leave of absence may be granted to a Unit Member on a paid or unpaid basis at any time upon terms acceptable to the District and the Unit Member.

15.10 Military Leave

A Unit Member shall be entitled to any military leave provided by law and shall retain all rights and privileges granted by law arising out of the exercise of military leave.

15.11 Judicial Leave

Upon receipt of notification of a jury duty obligation to be served during working hours on days of assigned services, it is the obligation of a Unit Member to inform his/her immediate supervisor and the Office of Human Resources of the jury duty summons.

- a) A Unit Member shall reimburse the District Business Office any juror's fees received exclusive of the mileage received from the Judicial District.
- b) The District shall continue to pay a Unit Member his/her regular salary until the Court releases him/her.

A Unit Member shall be granted leave to appear as a witness in court, other than as a litigant, to serve on a jury or to respond to an official order from another governmental jurisdiction for reasons not brought about through the convenience or misconduct of the Unit Member.

- a) A Unit Member shall receive regular pay less any amount received for jury or witness fees.

15.12 Catastrophic Illness Leave

Catastrophic Illness Leave is defined as an illness or injury that is expected to incapacitate the employee for an extended period of time and taking an extended leave creates a financial hardship for the Unit Member because he/she has exhausted all of his/her fully paid sick leave and any other available paid time off. This Catastrophic Leave provision does not apply to stress related illness, elective surgery, normal pregnancy, Worker's Compensation claims, disabilities resulting from alcoholism or drug addictions, intentionally self-inflicted injuries, or normal illness such as recurring colds, flu, allergies, headaches, etc.

- a) Leave Bank

The District will maintain a Catastrophic Leave Bank comprised of sick leave voluntarily donated by Unit Members. All donations will be made to the Leave Bank, and may not be made to a specific Unit Member.

A Unit Member may donate sick leave in increments of days. The minimum donation is one (1) day of accumulated sick leave. The donation is irrevocable.

In order to be eligible to donate days of sick leave to the Leave Bank, the Unit Member making the donation must have a minimum of ten (10) days of regular or accumulated sick leave after making a donation.

- b) Eligibility

In order to draw sick leave from the Leave Bank, the Unit Member must meet the following eligibility standards:

- 2) The requested days must be used only for the Unit Member's own catastrophic illness or injury.
- 3) Withdrawals from the Leave Bank will not cause a Unit Member to exceed his/her normal wage for the day (e.g., a Unit Member receiving differential leave under the extended illness provision may utilize only enough illness leave from the bank to achieve his/her regular pay).

c) Catastrophic Illness Leave Committee

A Catastrophic Illness Leave Committee (CLC) shall be established consisting of three (3) Unit Members appointed by the Association and two (2) District representatives appointment by the Superintendent/President or his/her designee. The CLC shall have the following authority and guidelines:

- 3) By majority vote, make final decisions regarding the granting of Catastrophic Illness Leave.
- 4) Failure to achieve a majority vote shall constitute a denial of the request for Catastrophic Illness Leave.

d) Requests for Catastrophic Illness Leave Donations

At the beginning of each academic year, the Office of Human Resources will notify all Unit Members of their right to donate to the Leave Bank (a copy of the form will be provided to the Association President). Unit Members, at the time of donating sick leave to the Leave Bank, will be required to sign a form indicating the amount of sick leave he/she is donating (the donation is irrevocable), and reminding the Unit Member that donating sick leave may affect his/her retirement under STRS and/or PERS.

15.12 Miscellaneous

The District will provide the Association with an annual report of the available leave in the Leave Bank at the beginning of each Fall.

The District will provide Unit Members with an annual report of Unused Regular and Extra Duty Sick Leave at the beginning of each academic year.

Periods of leaves of absence, paid or unpaid (less than one (1) year), shall not be considered to be a break in service for the Unit Member.

ARTICLE 16 – NEGOTIATION PROCEDURES

- 16.1 On or before March 1st of the calendar year in which this Agreement expires, the Board or its representative shall begin the negotiation process in good faith with the exclusive representative on negotiable items. Any Agreement reached between the Board and the exclusive representative shall be in writing and signed by them.

- 16.2 A vote on the Tentative Agreement shall occur at the next regularly scheduled meeting of each party, or at a special meeting called for that purpose within thirty (30) calendar days after authorized representatives of both parties present the proposed contract to their respective groups, whichever comes first. In no case shall either party be required to hold such a vote until seven (7) calendar days have elapsed after the signing of the Tentative Agreement unless they so desire. The ratification shall be by majority vote, both by the Board and the Association membership.

- 16.3 No vote of the Association membership can be compelled outside the confines of the Fall and Spring term.

ARTICLE 17 – SUPPORT OF AGREEMENT

17.1 The District and the Association agree that it is to their mutual benefit to encourage the resolution of differences by meeting and negotiating. Therefore, it is agreed that the District and the Association will support the terms of the Agreement. This in no way precludes either party from participating in those activities deemed necessary by the parties to plan and prepare for future agreements between the parties. There shall be no strike by the Association (excluding informational picketing) or lock out by the District for the duration of this Agreement, nor shall the Unit Members participate in any concerted activities against the Citrus Community College District that may be instituted by other units or organizations on the Citrus College campus.

17.2 Savings and Severability

17.2.1 Should any court, arbitrator, or government agency of competent jurisdiction declare or determine any of the provisions of this Agreement to be illegal, invalid or unenforceable, the remaining parts, terms or provisions shall not be affected thereby and shall remain legal, valid, enforceable and binding.

17.2.2 In the event of suspension or invalidation of any article or section of this Agreement, the parties agree to meet and confer within 30 days after such action to begin the process of bargaining the replacement thereof.

ARTICLE 18 – OVERLOAD BANKING

- 18.1 A faculty member wishing to bank overload LHE must have the signed approval of the appropriate vice president on a completed banking application form. If a replacement is necessary at the time the banked leave is to be taken, the ability to participate in banking leave for semester leave purposes is contingent upon the assignment being filled by part-time staff. Participation in the banking program is contingent upon the appropriate vice president's certification that the program will not be jeopardized by the absence of the faculty member. After the request to bank overload LHE has been approved by the appropriate vice president, the form is sent to the Office of Human Resources, where the official records on banked overload LHE are kept.
- 18.2 The banking application must indicate when the faculty member plans to use the banked leave either on a partial basis or on a full semester basis. The maximum duration of a full-time release will be one semester.
- 18.3 The application for banking hours and the application to take a banked leave must be approved by the appropriate vice president. Only credit overload LHE may be considered for banking. If the date of use is unknown, the instructor must receive approval from the appropriate vice president at least one (1) year prior to the use of banked overload LHE. Exceptions may occur by mutual agreement. If a replacement is necessary, the assignment must be one that is replaceable by either an overload or adjunct assignment.
- 18.4 No more than 18 LHE of overload can be banked. Overload LHE will be banked and used at a ratio of six (6) to five (5). Up to eight (8) LHE of overload per semester can be considered for banking purposes. There is no expressed or implied guarantee that overload LHE will be available for "banking" in any given semester. For those academic employees whose assignment is not in the classroom, 6/5 of a regular semester assignment (expressed in hours rather than in units) is required to be banked in order to take a full or partial semester off.
- 18.5 If the original approved plan is interrupted in any way, the instructor must submit a revised plan to the appropriate vice president for approval.
- 18.6 At the time the faculty member is ready to take banked leave, he/she will send a request on the appropriate form to the appropriate vice president. The instructor's load is verified by the appropriate vice president. The banked overload LHE balance is verified by the Office of Human Resources. The request is then submitted to the Board for approval. Requests to take banked leave must be submitted for approval to the appropriate vice president more than one semester prior to the semester the faculty member wishes to take the leave.
- 18.7 If the faculty member decides not to take the leave, he/she shall be paid for the banked overload LHE at the overload salary rate in effect at the time the hours were banked. When the faculty member selects to take pay for banked LHE in lieu of leave, he/she will submit a memo through the appropriate vice president to the Office of Human Resources where the faculty member's banked LHE balance and amount due is verified. Fiscal Services will pay the faculty member the amount due from information provided by the Office of Human Resources.
- 18.8 If banked overload LHE is not used by the end of the seventh year after the banking begins, the faculty member shall be paid for the banked overload LHE at the overload salary rate in effect at the time the hours were banked.
- 18.9 The money the faculty member would have earned had he/she not banked the overload LHE will be held as a liability against the District until the banking contract is fulfilled. In the event that the banking contract is not fulfilled, the money will be surrendered to the faculty member or his or her estate at the overload rate in effect at the time the hours were banked. No interest will be paid on the banked hours overload LHE.
- 18.10 There are no restrictions on the use of the released time; it may be used for professional or personal reasons.

- 18.11 Banking leave shall count toward retirement and be considered as regular service to the District for purpose of advancement on the salary schedule. The time on leave will not count toward sabbatical eligibility. The accumulated banked overload LHE and the resulting time off have no effect on medical benefits.
- 18.12 At the end of every fiscal year, the Office of Human Resources will send Fiscal Services a report of banked LHE for the year which includes: NAME, SOCIAL SECURITY NUMBER, SERVICE DATES, NUMBER OF LHE, and OVERLOAD RATE OF PAY. Fiscal Services will create a special account in which to track the required funds to cover the banked overload LHE.

ARTICLE 19 – DURATION OF CONTRACT

19.1 The term of this Agreement shall be from January 1, 2018 through December 31, 2020.

ARTICLE 20 – EVALUATIONS

20.1 Introductions

The evaluation process is designed to promote professionalism, enhance performance and be closely linked with staff development efforts. The evaluation process should be effective in yielding a genuinely useful and substantive assessment of performance. Among other things, this requires an articulation of clear, relevant criteria on which evaluations will be based.

The principal purposes of the evaluation process are to recognize and acknowledge good performance, to enhance satisfactory performance, to help employees who are performing satisfactorily further their own growth, to identify weak performance, to assist employees in achieving needed improvement and to document unsatisfactory performance.

Participants in the evaluation process must be sensitive to the diversity of California and the community served by the District.

A faculty member's students, administrators, and peers should all contribute to his or her evaluation, but the faculty should play a central role in the evaluation process and, together with appropriate administrators, assume principal responsibility for the effectiveness of the process.

This Administrative Procedure supersedes any previous policies, procedures, and/or other documents related to faculty evaluation.
