Grievance is a formal written allegation by any unit member adversely affected by a violation or misapplication of a specific provision of this Agreement or District policy.

Grievant may be any unit member, group of unit members or CSEA filing a grievance on behalf of a unit member(s).

Working day is any weekday (Monday through Friday) in which the administrative offices of the Citrus Community College District are open for business.

The CSEA job steward shall be given reasonable release time to represent the grievant in the informal grievance procedure, with prior approval of their immediate supervisor.
- 7.2 A response shall be given the grievant, in writing, within ten (10) working days of the conference.

Formal Level I

- 7.3 If the grievant is not satisfied with the disposition of the grievance at the Informal Level, the grievant may file the grievance in writing, on a District grievance form, with the immediate supervisor, within ten (10) working days following the response provided at the Informal Level. The form shall describe:
 - A) Grievant's name.
 - B) Date of event giving rise to the grievance.
 - C) Sections of the Agreement and/or District policy violated.
 - D) Facts supporting the allegation.
 - E) Remedy requested.
- 7.4 The immediate supervisor shall communicate the decision to the grievant, in writing, within ten (10) working days after receiving the grievance.
- 7.5 Within the above time limits, either party may request a personal conference to be held in a private location. The grievant has the right to be accompanied by a designated CSEA representative to the conference scheduled with the immediate supervisor. If the CSEA representative is also a unit member of the District, they shall be given reasonable release time to represent the grievant in the formal grievance procedure, with prior approval of their immediate supervisor.

Formal Level II

- 7.6 If the grievant is not satisfied with the decision at Formal Level I, the decision may be appealed on a District grievance form to the Superintendent/President, or their designee, within ten (10) working days after the grievant receives a copy of the decision. The form shall have attached:
- A) Copy of the original grievance.
 - B) Decision rendered at Formal Level I.
 - C) Reason for an appeal.
- 7.7 The Superintendent/President, or their designee, shall conduct an investigation of the allegations and shall communicate the decision to the grievant, in writing, within ten (10) working days after receiving the appeal.
- 7.8 Within the above time limits either party may request a personal conference, and the grievant has the right to be accompanied by a designated CSEA representative to a conference scheduled with the Superintendent/President. If the CSEA representative, is also a unit member of the District, they shall be given reasonable release time to represent the grievant in the formal grievance procedure, with prior approval of their immediate supervisor.

Formal Level III

Mediation Step

- 7.9 If the grievant is not satisfied with the decision at Formal Level II, the grievant, with the consent of CSEA, may request that their grievance be submitted to mediation for review.
- 7.10 Within fifteen (15) working days of receipt of a written request to proceed to mediation, the District will request the services of a mediator from the California State Mediation and Conciliation Service.
- 7.11 The function of the mediator shall be to assist the parties to achieve a mutually satisfactory resolution of the grievance by means of the mediation process.
- 7.12 If a mutual resolution of the grievance is reached during mediation, a written statement of the resolution will be prepared and signed by the parties.
- 7.13 In the event that a mutual resolution of the grievance is not reached during mediation, the grievant may, within ten (10) working days from the last mediation meeting, request an appeal by submitting a request in writing to the CSEA Chapter 101 President. A copy of such a request will also be provided to the Executive Director of Human Resources

Formal Level IV

- 7.14 Upon receipt of a request to appeal a grievance to Formal Level IV, within thirty (30) working days of receipt of such an appeal, the Chapter President or designee shall communicate to the District its intent of whether to move the grievance to arbitration.

As soon as possible and in any event not later than fourteen (14) working days after the District receives the written notice of the request to proceed to arbitration, the parties shall attempt to agree upon an arbitrator. If no agreement is reached within said fourteen (14) working days, an arbitrator shall be selected from a list of five (5) arbitrators supplied by the State Mediation and Conciliation Service by alternate striking of names until one name remains. The party who strikes the first name shall be determined by lot. If the arbitrator selected will not be available for the hearing within a reasonable period of time, not exceeding sixty (60) working days, the parties shall proceed to select another arbitrator from above list.

The arbitration shall have no power to alter, amend, change, add to, or subtract from any of the terms of this Agreement, but shall determine only whether or not there has been a violation of this Agreement in the respect alleged in the grievance. The decision of the arbitrator shall be based

solely upon the evidence and arguments presented to them by the respective parties in the presence of each other and upon arguments presented in briefs.

The arbitrator may hear and determine only one grievance at a time unless the District and the grievant(s) expressly agree otherwise. However, both parties will in good faith endeavor to handle in an expeditious and convenient manner cases which involve the same or similar facts and issues.

The arbitrator's decision will be in writing and will set forth all findings of fact, reasoning and conclusions on the issues submitted. The arbitrator will be without power or authority to make any recommendation which requires the commission of act prohibited by law or which violates the terms of this Agreement. However, it is agreed that the arbitrator is empowered to include in the arbitrator's decision such financial reimbursement or other remedies as is judged to be proper. The decision of the arbitrator will be submitted to the Board, the Superintendent/President of the District, the grievant, and the Association.

- 7.15 The decision of the arbitrator within the limits herein prescribed shall be advisory and the Board of Trustees may either adopt the arbitrator's decision making it a final and binding decision or render its own final and binding decision.
- 7.16 All fees and expenses of the arbitrator shall be shared equally by the parties. Each party shall bear the expenses of the presentation of its own case.
- 7.17 When a hearing is held during the normal work day, any bargaining unit employee required to participate at the hearing shall receive paid release time.

Within five (5) working days of such a request, the District will request the services of a mediator from the California State Mediation and Conciliation Service.

The mediation meeting shall occur within thirty (30) calendar days from the date the request for mediation is sent to the California State Mediation and Conciliation Service.

The function of the Mediator shall be to facilitate a conversation between the District and the employee and their representative concerning the proposed disciplinary action and, where appropriate, to recommend terms for possible resolution. The Mediator shall not have the authority to impose a settlement upon the parties.

If an agreement is reached during mediation, a written statement of the agreement shall be prepared and signed by the parties. If the mediation process ends without an agreement, then the District shall send notice of disciplinary action, which is to include the following:

- a) The disciplinary action intended.
 - b) The specific charges upon which the action is based.
 - c) A factual summary of the grounds upon which the charges are based.
 - d) A copy of all written materials, reports, and documents upon which the discipline is based.
 - e) Notice of the employee's right to a formal hearing.
 - f) Notice that failure to respond at the time specified shall constitute a waiver of the right to respond prior to final discipline being imposed.
 - g) The Notice will also be sent to the employee's representative, if any.
 - h) The Notice will be personally delivered or sent by certified mail to the employee's address contained in the District's Human Resources Office records.
- 3) Upon receipt of the Notice of Disciplinary Action, the employee may proceed to a formal hearing as provided under the Formal Hearing Procedure below.

Request for a Formal Hearing

An employee who is served with a Notice of Proposed Disciplinary Action may request a formal hearing by submitting a written request to Human Resources on the form provided for that purpose. Such request must be filed with Human Resources within ten (10) working days of receipt of the Notice. If the employee requested mediation review of the Notice of Proposed Disciplinary action, then the request for a hearing must be filed within five (5) working days from the receipt of the Notice of Disciplinary Action.

Formal Hearing Procedure – Time for Hearing

22.5 A hearing officer shall, within a reasonable time from the filing of the appeal, commence the hearing.

Selection of the Hearing Officer

22.6 The Board shall secure the services of an experienced hearing officer within ten (10) days of receipt of the employee's request for a formal hearing. The District and CSEA each July of this Agreement shall meet and select three (3) hearing officers to hear disciplinary matters during the particular fiscal year. In the event that the District and CSEA cannot reach agreement on the list of hearing officers, a list of seven (7) names will be requested from State Mediation. The District and CSEA shall each strike two (2) names from the list. The remaining three (3) names shall serve as the hearing officers. Their rank order shall be determined by lot. The three (3) hearing officers will be placed in rank order (determined by lot). The first hearing officer on the list shall be appointed to the first case and then placed at the bottom of the list. All hearing officer assignments will be selected in this manner of rotation. If this individual will not be available for the hearing within a reasonable time, not to exceed thirty (30) days, the next hearing officer in order of the agreed upon list shall be appointed.

Failure to Appear

- 22.7 Any employee, having filed an appeal with the Board and having been notified of the time and place of the hearing, who fails to make an appearance before the hearing officer without good cause will be deemed to have abandoned their appeal. In this event, the hearing officer will determine whether there was good cause and may dismiss the appeal.

Conduct of the Hearing, Record of Proceedings, and Costs

- 22.8 All disciplinary appeal hearings may, at the discretion of either party or the Board of Trustees, be recorded by a court reporter.
- 22.9 Any hearing which does not utilize a court reporter shall be recorded by audio tapes.
- 22.10 If a court reporter is requested by either party, that party shall pay the cost of the court reporter.

Evidence

- 22.11 The hearing need not be conducted in accordance with technical rules relating to evidence in California law and witnesses but hearings shall be conducted in a manner most conducive to determination of the truth. Any relevant evidence may be admitted if it is the type of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rules, which might make improper the admission of such evidence over objection in civil actions.
- 22.12 Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence that shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions.
- 22.13 The rules dealing with privileges shall be effective to the same extent that they are now or hereafter may be recognized in civil actions. Irrelevant and unduly repetitious evidence may be excluded.
- 22.14 The Hearing Officer shall determine relevancy, weight and credibility of testimony and evidence. Decisions of this nature made by the Hearing Officer shall not be invalidated by any informality in the proceedings.
- 22.15 During examination of a witness, all other witnesses, except the parties, shall be excluded from the hearing upon the motion of either party.

Burden of Proof

- 22.16 In a disciplinary appeal, the District has the burden of proof by preponderance of the evidence.

Proceed with Hearing or Request for Continuance

- 22.17 Each side should be asked if it is ready to proceed. If either side is not ready and wishes a continuance, good cause must be stated.

Testimony under Oath

- 22.18 All witnesses shall be sworn in for the record prior to offering testimony at the hearing.

Written Findings, Conclusion, and Decision of the Formal Hearing

- 22.19 The hearing officer shall render findings, conclusions, and decision as soon after the conclusion of the hearing as possible. A finding must be made by the hearing officer on each material issue. The hearing officer may sustain or reject any or all of the charges filed against the employee. The hearing officer may sustain, reject or reduce the disciplinary action invoked against the employee.
- 22.20 The hearing officer will issue a proposed decision to be submitted to the Board of Trustees.

- 22.21 The proposed decision, the record of the hearing and all documentary evidence shall be available for review by the Board when it deliberates.
- 22.22 The Board may adopt the proposed decision, modify the proposed decision, or render a new decision. In the event the Board of Trustees upholds a recommendation for disciplinary action, the recommended disciplinary action will be implemented on a date following the Board of Trustees' decision.

Decision of the Board

- 22.23 The decision of the Board of Trustees in all cases shall be final.

ARTICLE 23 – LAYOFF/REDUCTION IN HOURS/ DISPLACEMENT AND RE-EMPLOYMENT RIGHTS

Definitions

Layoff is the separation from a regular position due to lack of work or lack of funds, or as a result of the expiration of a specially funded program. Layoffs shall be effective as of the beginning of any fiscal year (July 1).

Layoffs

23.1 Any layoff shall be affected within a classification. A unit member with the least seniority within the affected classification plus higher classifications shall be laid off first.

Seniority

23.2 Seniority shall be based on the date of hire of the unit member in the effected classification plus higher classifications. If two (2) or more unit members subject to layoff have equal seniority, the determination as to who shall be laid off will be by lot.

Notification of Layoff to CSEA/Negotiations

23.3 The District shall notify the Association within thirty (30) calendar days prior to notices of layoff being sent to any unit members. Should the Association desire to negotiate the effects of the proposed layoff it shall notify the District in writing no later than (10) working days after receipt of the District notification. The decision to layoff unit members is non-negotiable.

23.4 The District shall notify the Association within a reasonable amount of time prior to notices of reduction in assigned time being sent to any unit members. Should the Association desire to negotiate the decision and effects of the proposed reduction in assigned time it shall notify the District in writing no later than (10) working days after receipt of the District notification.

23.5 At the time the District notifies the Association of an impending layoff and/or reduction in assigned time the District shall provide the Association with a list of positions proposed to be laid off, the departments/offices affected and a seniority list for each of the classifications effected. This article does not limit the Association's right to request necessary and relevant information regarding the layoff and/or reduction in assigned time.

23.6 If an agreement regarding layoff is not reached prior to the effective date of the layoff, the District may proceed with the layoff and negotiations concerning the effects shall continue.

Notification to Affected Unit Members

23.7 In the event that the District determines to initiate a layoff, prior to any final action by the board of trustees, the District shall, prior to March 15th of any year, provide notice to any unit member identified to be laid off advising that the services of the unit member will not be required for the ensuing year, the reason for the layoff, their appeal rights their displacement rights, if any, and reemployment rights.

Final notice of a layoff will be provided to a unit member no later than May 15th of any year unless this date is continued as part of an ordered continuance in connection with a hearing as described in section 23.11.

23.8 Should circumstances change and the layoff/reduction in hours not be necessary the unit member shall receive notification from the District.

23.9 When, as a result of the expiration of a specially funded program, classified positions must be

eliminated at the end of any school year, and unit members will be subject to layoff for lack of funds, the employees to be laid off at the end of the school year shall be given written notice on or before April 29 informing them of their layoff effective at the end of the school year and of their displacement rights, if any, and reemployment rights. However, if the termination date of any specially funded program is other than June 30, the notice shall be given not less than sixty (60) days prior to the effective date of their layoff. Unit members laid off pursuant to this section shall not be entitled to the layoff procedure as set forth below and shall only be pursuant to Education Code section 88017 (k).

Displacement “Bumping” Rights

- 23.10 The District and the Association shall meet and review all bumping scenarios provided the Association has notified the District of its intent to negotiate. Bumping shall be part of the effects negotiations as mentioned in 23.3, 23.4, 23.5, and 23.6 of this Article. Bumping of and by a unit member shall be made in accordance with the Education Code and established case law.
- 23.11 As set forth in Education Code section 88017, a unit member who receives a notice of layoff may request a hearing to determine if there is cause for not reemploying a unit member for the ensuing year.
- 23.12 A unit member who elects a layoff in lieu of bumping maintains their re-employment rights under this Agreement.

Re-employment Rights

- 23.13 Laid off unit members are eligible for re-employment in the classification, or for classifications for which the member meets the minimum qualifications, from which they were laid off from for a thirty-nine (39) month period and shall be re-employed in order of highest seniority.
- 23.14 Unit member’s re-employment shall take precedence over any other type of employment.
- 23.15 In addition, unit members shall have the right to apply for promotional positions within the filing period specified. A unit member on a re-employment list shall notify the District of their desire to be considered for promotional positions.
- 23.16 Unit members who take voluntary demotions (i.e., bump into a lower classification) shall be entitled to an additional twenty-four (24) months on the re-employment list.
- 23.17 Unit members who take reductions in assigned time shall be entitled to an additional twenty-four (24) months on the re-employment list.

Notification of Re-employment

- 23.18 A unit member who is laid off and is subsequently eligible for re-employment shall be notified in writing by the District of an opening.
- 23.19 Unit members shall notify the District of their intent to accept or refuse re-employment within five (5) working days following receipt of the re-employment notice. If the unit member accepts re-employment, the unit member must report to work within ten (10) working days following receipt of the re-employment notice.
- 23.20 Unit members shall be re-employed in the highest-rated job classification available in accordance with their classification seniority. Unit members who accept a position lower than their highest former classification shall retain their original thirty-nine (39) month rights to the higher paid position.

Miscellaneous

- 23.21 Any unit member who is improperly laid off shall be re-employed immediately upon discovery of the error and shall be reimbursed for all loss of salary and benefits.
- 23.22 Upon return work, all time during which an individual is in involuntary unpaid status shall be counted for seniority purposes not to exceed thirty-nine (39) months, except that during such time the unit member will not accrue vacation, sick leave, holidays or other leave benefits.
