

POSITION DESCRIPTION

Maintenance Utility Worker

Position Maintenance Utility Worker
Department/Site Facilities & Construction
FLSA Non-Exempt
Evaluated by Maintenance Supervisor
Salary Range 29

Summary

Under general supervision performs a variety of semi-skilled tasks related to the repair and maintenance of building, building systems, and equipment. Performs clean-up and custodial duties, event set-ups, furniture and equipment moves, and assists the Skilled Maintenance Technicians in their duties.

Essential Duties and Responsibilities

Performs some or all of the following, depending on the area of assignment.

- Installs, maintains, troubleshoots and repairs basic electrical systems and components. Installs, adjusts, repairs or replaces electric lights, motors, heaters, small transformers, and other electrical apparatus. Installs electrical wiring. Participates in projects such as wiring communications between and within structures.
- Maintains, inspects, diagnoses and makes basic repairs to natural gas, water, refrigeration, and air distribution systems.
- Performs a variety of painting and varnishing duties. Paints walls, doors, rooms, buildings, parking lots, and other surfaces as required. Uses spray equipment or brushes. Prepares and finishes various surfaces. Prepares surfaces and applies paint, varnish, and other protective and decorative finishes.
- Performs basic plumbing repairs. Inspects, maintains, and repairs plumbing systems, including other fluid flows such as natural gas. Fits, installs, and repairs sewer lines, water lines, heaters, valves and seals.
- Performs a variety of basic carpentry duties. Constructs, fabricates, installs, repairs or replaces doors, walls, signs, desks, counters, shelves, shelf units, computer tables, chairs, benches, bleachers, tables, sheds, scaffolds, forms, frames, window frames, fences and stairways.
- Performs some preventive maintenance on HVAC systems; changes filters, replaces worn belts, replaces thermostats and sensors. Assists Skilled Maintenance Technicians in the servicing and repair of HVAC equipment.
- Performs a variety of clean-up work in restrooms, classrooms, office spaces and on the campus grounds.
- Fills in for absent day custodians as needed.
- Performs setups for campus events.
- Moves furniture, equipment, material and other items as needed for maintenance operations or program needs.
- Assists Skilled Maintenance Technicians in the performance of their duties.
- Performs other duties as assigned that support the overall objective of the position.
