

TECH TIP #2: ADDING RUBRICS TO DISCUSSIONS, ASSIGNMENTS, & YOUR COURSE

Canvas allows you to create rubrics to communicate assessment objectives to students. Learn how to create them for use in your course.

DISCUSSIONS

- 1 Click on the "breadcrumbs" (...) in the right hand corner. Scroll to ADD RUBRIC.

Note that your Discussion Boards needs to be published and set to "GRADED".

ASSIGNMENTS

- 2 After saving an assignment, click on the gray +RUBRIC button.

This will open a field where you can select and existing rubric or create a new rubric specific to the assignment.

Hobbes & Locke

Both Hobbes and Locke provide following:

1. Determine whose view of hu
2. Based on your determinator
3. Come to class [with your paper](#)
