MISSION
Citrus College provides students with quality educational experiences and support services that lead to the successful completion of degrees, transfer certificates, career/technical education and basic skills proficiency. The college fosters academic and career success through the development of critical thinking, effective communication, creativity, and cultural awareness in a safe, accessible and affordable learning environment. In meeting the needs of our demographically diverse student population, we embrace equity and accountability through measurable learning outcomes, ethical data-driven decisions and student achievement.
