**HOBBY**  
My favorite thing to do when I'm not working is to go for a trail run! After reading my "Fun Fact" you may wonder why....

**FUN FACT!**  
I have seen two mountain lions while running our local trails.  
The first time I was running with a friend between Garcia Trail and GMR. The second time I was alone in Marshall Canyon. I had my whistle both times and retreated down the trail while blowing the whistle! In spite of these incidents I still love trail running!
