**A College of Completion**

Citrus College: A College of Completion is an initiative designed to encourage and support students as they endeavor to complete their educations, transfer to baccalaureate degree programs and enter the career fields of their choice. This collegewide effort is a response to a 2009 challenge from the White House for the nation’s community colleges to produce an additional 8 million college graduates by 2020.

“*The College of Completion campaign enables us to publicly declare our commitment to the academic achievement of our student body and it puts college completion front and center of our priorities.*”

Financial Aid

Financial aid refers to any grant, scholarship, loan or paid employment offered to help a student meet his/her college expenses. These monies can be merit-based and/or need-based. Merit-based financial aid is typically awarded for outstanding academic achievement, special talents such as athletics, leadership potential, or other personal characteristics. Need-based financial aid is awarded on the basis of a student’s financial need which is determined by the Free Application for Federal Student Aid (FAFSA) application. Students who meet the AB540 non-resident exemption requirement, including undocumented students, are not eligible to apply for federal aid. AB540 students should complete the California Dream Act Application (CADA) for consideration of state financial aid.

Covered Expenses

Financial aid awards can be used to cover a variety of expenses, depending upon the type of award students receive. In general, financial aid is used to cover all education-related expenses, including tuition and fees, room and board, books and supplies, and transportation. It can also cover computer and dependent childcare expenses. Different types of awards may cover different types of expenses. For example, Cal Grant A awards provide funds to help pay tuition and fees at qualifying institutions while Cal Grant B awards also cover living expenses, transportation, books, and supplies. Some scholarships specify how the student may spend the funds.

Types of Aid

- Federal Pell Grants
- Cal Grants (offered by the State of California)
- Full-Time Student Success Grant (offered by the State of California)
- Community College Completion Grant (offered by the State of California)
- California College Promise Grant (CCPG), formerly known as the Board of Governor’s Fee Waiver (offered by the State of California)
- The Chafee Grant (offered by the State of California to foster youth)
- Federal Work-Study Program
- Scholarships
- Student Loans

Federal Pell Grants

The Pell grant award is based upon a student’s financial need, costs to attend college, and enrollment status.

Cal Grants A, B, C

The amount of a Cal Grant varies depending upon what type of Cal Grant award students receive. Cal Grant B provides grant funds to help pay for the cost associated with attending college. Cal Grant C provides grant funds to help pay for books and supplies. Cal Grant A recipients currently attending a community college will not receive payment at the community college level. This award may be held in reserve for two years for use when a student transfers to a university.

To be eligible for a Cal Grant, students must meet the following additional requirements:

- Be an in-state resident or AB 540 eligible
- Complete a GPA verification form (for Cal Grants A&B) by the March 2\textsuperscript{nd} or September 2\textsuperscript{nd} deadlines.
- Complete the FAFSA.

Full-Time Student Success Grant

This award is for Full-Time (12 units) Cal Grant B or C recipients.

Community College Completion Grant

This award is for students receiving the Full-Time Student Success Grant. It is an incentive grant designed to encourage students to maintain full-time (15 units) enrollment status in order to graduate or transfer within two years.

California College Promise Grant (formerly known as the Board of Governor’s Fee Waiver)

This award waives the enrollment fees charged by a California community college. Students do not actually receive any money from a California College Promise Grant. If they paid their tuition before being awarded the California College Promise Grant, the student will receive a refund for the amount they paid.
Financial Aid Information

Loss of the California College Promise Grant (formerly known as the Board of Governor’s Fee Waiver)

SB 1456 establishes the Student Success Act of 2012 and requires that any student with two consecutive terms of not meeting academic and/or progress standards lose their California College Promise Grant. Not meeting academic standards means having less than a 2.0 GPA. Not meeting progress standards means completing less than 50% of your coursework. Foster Youth 24 years and younger and students who qualify for one of the special classifications are not subject to loss of the grant under these regulations.

If a student registers for a term before he/she has two terms of probation, loss will occur for the following term. If a student registers for a term after determination of two terms of probation, loss may occur for the upcoming term. Students can regain eligibility by meeting one of the following criteria: meeting academic and progress standards, sitting out for two consecutive primary terms (summer and winter intersessions do not count), successfully appealing the loss. An appeal process will be available for students who have extenuating circumstances.

Students should seek appropriate student and academic support services when needed. For a list of student support services please visit the Student Services page on the Citrus College web site.

Chafee Grant

This is a federal funded grant program designed for undergraduate students who are current or former foster youth.

Federal Work-Study Program

This is a federally funded award earned through work. The award provides part-time employment to students who have financial need. Jobs are usually available both on and off campus. The program allows the student to gain work experience and pay for a portion of their educational expenses.

Scholarships

Scholarships are awarded based on need, merit and other criteria. Scholarships do not need to be repaid.

Student Loans

Student loans are federally funded and need to be paid back. Students can receive subsidized or unsubsidized loans while enrolled at least half-time. The interest is paid by the federal government for subsidized loans during the repayment, grace period and deferment periods. Unsubsidized loans accrue interest during all periods after the loan is disbursed. Parents can apply for a PLUS loan for their dependent student. Interest is charged after the loan is originated.

Financial Aid Eligibility

Any student who meets all eligibility criteria for financial aid may receive it. To be eligible for federal financial aid, students must meet the following requirements:

- Be a US citizen, US national, permanent resident, refugee, asylee, or other eligible non-citizen
- Have a valid social security number
- Enroll in a minimum number of units
- Enroll in an undergraduate program that leads to a degree or certificate
- Register for the Selective Service (if male)
- Not be in default on a federal educational loan and not owe a refund on a federal grant
- Make satisfactory academic progress
- Demonstrate financial need

Students with Bachelor’s Degrees

Students who hold a bachelor’s degree or higher are NOT eligible for a Federal Pell Grant or Cal Grant. This includes a B.A. degree or the equivalent from a foreign country.
Financial Aid Information

Students without a High School Diploma

First time college students who do not have a high school diploma or General Education Diploma (GED), National High School Equivalency Testing Program (HiSET), Test Assessing Secondary Completion (TASC) Exam, or who have not passed the California Proficiency Exam (CPE), or who do not have a home school certificate are NOT eligible for federal or state financial aid.

AB540 Students

Students who meet the AB 540 non-resident exemption requirement, including undocumented students, are eligible for some state aid. Eligible students can apply for the California College Promise Grant, EOP&S services, CalGrant, Full-Time Student Success Grant, Community College Completion Grant and Chafee Grant. To learn more about these programs, please visit the California Student Aid Commission’s website and the Citrus College AB540 web page.

Applying for Financial Aid

Financial Aid is available for both summer and fall terms during registration. For summer, complete the 2017-2018 FAFSA/CADA/CCPG. For fall, complete the 2018-2019 FAFSA/CADA/CCPG.

Completing the FAFSA

1. Complete or renew the FAFSA application online every year in October at: www.fafsa.gov. List Citrus College’s school code: 001166. If eligible, use the IRS Data Retrieval Tool and you will be able to expedite the processing of your financial aid file.

2. Once the financial aid office has received your application, you will be sent a “tracking” e-mail to your Citrus College e-mail account. This e-mail will inform you of any documentation that will need to be submitted in order to process and complete your financial aid file.

3. Submit all required paperwork to the financial aid office in a timely manner, either via postal mail or in person. Once all forms have been submitted, the financial aid office will verify the information and make any necessary corrections.

The financial aid process takes up to 4 weeks, so it is important to complete the FAFSA early each year, and follow the instructions in your email you receive from the financial aid office to ensure your file is properly processed and completed.

4. If you are eligible for a financial aid award, you will receive an “Award Notification” e-mail. All initial award amounts are based on full-time attendance, but will be adjusted according to enrollment status at time of disbursement.

If you do not attend full-time, your financial aid award will be adjusted based on the number of units you are enrolled in. Late start and wait-listed courses are not counted towards your award until the class starts. Approved consortium units are not counted towards your award until after they have been completed.

Maintaining Financial Aid Eligibility

To continue to receive financial aid, students must:
- Maintain a GPA of 2.0 or higher
- Complete 75% of all units attempted
- Not exceed 90 attempted units or 150% of the units required for their certificate program

Minimum Units

Financial aid eligibility is based on the number of units a student is enrolled in. The number of units required to achieve full-time status is 12 units and results in the maximum amount a student may receive for an award. However, students may also receive funds for three quarter time (9-11.5 units), half-time (6-8 units), and less than half-time (0.5-5.5 units) enrollment.

Cal Grants, loans, and federal work study programs require students to be enrolled at least half-time. Students can be enrolled less than half-time and receive a Pell grant. This enrollment classification applies to fall, spring, and summer.
Financial Aid

Half-time status is 6 to 8.5 units. Less than halftime disbursements are based on 0.5 to 5.5 units.

As a result, your disbursement will be reduced or delayed until the actual class begins. Approved consortium units will not be paid until after courses have been completed and official transcripts have been received.

Veterans Orientation

Citrus College holds several Veterans Orientations throughout the year. These orientations provide the college’s student veterans, including new students, with information on academic programs and services. In addition, the Veterans Administration’s Mobile Health Unit often provides services during orientation such as registration for health care benefits, processing claim forms and conducting medical screenings. For more information, visit http://www.citruscollege.edu/stdntsrv/veterans/Pages/VeteransOrientation.aspx
The objective of the Student Success and Support Program (SSSP, also known as Matriculation) is to provide support to students while completing their educational goals.

Matriculation
Matriculation is defined by the Seymour-Campbell Student Success Act of 2012 as “a process that brings a college and a student into an agreement for the purpose of achieving the student’s educational goals and completing the student’s course of study.” The agreement involves the responsibilities of the college and student. The Student Success and Support Program includes services to optimize students’ opportunities to foster academic success.

The college’s responsibility is to provide:
• Assessment before course registration
• Orientation services about the college’s programs and services
• Counseling and other education planning services including Student Educational Plans (SEP)
• Follow-up services to evaluate the academic process of, and provide support services to at risk students
• Referrals to appropriate support services and curriculum offerings

The student’s responsibility is to:
• Identify an education and career goal
• Attend class and complete assigned coursework
• Complete courses and maintain progress toward an educational goal and course of study identified in the SEP
• Beginning Fall 2015, nonexempt first time students must complete the following in a timely manner:
  • Take the English and Math assessments to determine appropriate course placement
  • Complete an orientation activity provided by the college (currently required)
  • Participate in counseling services and complete an abbreviated SEP (first semester plan) before the first term of classes
  • Complete a comprehensive SEP (multi-term plan) after completing 15 degree applicable units or prior to the end of the 3rd semester

Registration Priority Note: New students who have completed orientation, assessment, and have developed SEPs, as well as continuing students in good standing who have not exceeded 100 degree applicable units, will have priority over students who do not meet these criteria.

SSSP Exemption Criteria
A student may be exempted from SSSP activities including orientation, assessment, counseling or advisement based on one or more of the following:
1) Has completed an associate degree or higher from a regionally accredited college
2) Has enrolled at the college solely to take a course that is legally mandated for employment as defined in Title 5 section 55000 or necessary in response to a significant change in industry or licensure standards
3) Has enrolled at the college as a special admit student pursuant to Education Code section 76001

An exemption form can be processed in the Counseling and Advisement Center. Appropriate documentation for criteria is required.

Assessment and Orientation
The assessment and orientation process is an effort by Citrus College to provide students with the finest academic advisement and counseling possible. The purpose of the assessment process at Citrus College is to provide information regarding skills (language and mathematics) and activities necessary for a successful college experience. Student-reported information is also used in addition to available official high school and/or college transcripts. Other factors that are used in assessing college readiness may include evaluation of study skills, goals and career aspirations, and the results of the Accuplacer assessment.

The assessment information assists the counselor in outlining a useful and clear educational program for the student’s long-range educational plan and the eventual attainment of a chosen career.
Student Success and Support Program

The assessment schedule can be accessed at http://www.citruscollege.edu/lc/testing/Pages/AssessmentPlacementTesting.aspx

Students with a disability that require testing accommodations, can make arrangements through the DSP&S Office, (626) 914-8675. Hearing impaired services are available 24 hours, (626) 914-8674 TDD.

Review of Placement
Students who have reason to disagree with assessment results may take part in the Review of Placement process with a counselor.

Required Orientation
The orientation program is designed to introduce students to course of study programs, campus resources, student support services, and college success tips. Students will have the necessary tools to make a smooth transition to college life.

Students who are new to Citrus College beginning summer 2018 are urged to complete the assessment and MUST complete orientation by October 31, 2018. All future registration will be withheld from students who have not completed orientation by the deadline. Students who believe they are exempt or those who want to read about procedures for challenging matriculation regulatory provisions can refer to the SSSP Exemption Criteria on the previous page.

Orientation Options
Orientation can be satisfied in any of the following formats:

- In-person orientation (recommended for new students; includes SEP)
  - New Student Assessment/Orientation Session
  - Early Decision Day at Citrus College (only available through high school districts)
- Online orientation at http://orientation.citruscollege.edu

Assessment and orientations are scheduled periodically throughout the year. For more information, please view the assessment/orientation schedule at http://www.citruscollege.edu/lc/testing/Pages/AssessmentPlacementTesting.aspx

Counseling
The Citrus College counseling staff provides a variety of counseling services including educational planning, career counseling, transfer counseling, personal counseling (including discussing personal concerns and issues affecting students' academic progress), Disabled Student Programs and Services (DSP&S), and Extended Opportunity Programs and Services/Cooperative Agencies Resources for Education (EOP&S/CARE). These counselors assist with long-range planning and checking specific requirements so that students meet graduation requirements, course prerequisites, and requirements for transfer to four-year colleges or universities.

New, nonexempt students are strongly encouraged to see a counselor. For further support, it is recommended the student take COUN 156 College Planning, COUN 159 On Course to Success, COUN 160 Strategies for College Success or COUN 201 Course Planning with Degree Works during the first semester of attendance. Veterans planning to receive G.I. benefits are also required to see a counselor prior to registration if they are new or returning students, or if they have attempted 45 or more units of accredited college work. Students planning to transfer to a four-year college and those planning to graduate are strongly encouraged to see a counselor well in advance of registration.

It is important for all students to have a Student Educational Plan (SEP) while attending Citrus College. The SEP lists courses that pertain to the identified course of study. It is also required for participation in many programs on campus. Check with the Counseling and Advisement Center, or appropriate counseling office in which you are eligible to receive services, for available SEP services.

- Students with 15 units or less: Non-exempt first-time students with 15 college units or less will be able to complete an abbreviated SEP (first semester plan) during an in-person orientation or Course Planning Session. A listing of both schedules can be viewed at http://citruscollege.edu/lc/testingPages/AssessmentPlacementTesting.aspx and http://citruscollege.edu/stdntsrv/counsel/Pages/default.aspx Prior to the SEP session, assessment and orientation must be completed.
Student Success and Support Program

- **Students with 16 units or more**: Non-exempt first time students will be advised to meet with a counselor during an individual appointment to create a SEP. Prior to the appointment, students must complete assessment, complete orientation, declare a course of study (selected on application or submitted a Course of Study Change Form to the Admissions and Records Office), and official college transcripts must be on file.

- **Students with 15 degree applicable units (course number is 100 level or higher) or prior to the end of the 3rd semester**: Non-exempt continuing students will be advised to meet with a counselor during an individual appointment to complete a comprehensive SEP (multi-semester plan). Prior to the appointment, students must complete assessment, complete orientation, declare a course of study (selected on application or submitted a Course of Study Change Form to the Admissions and Records Office), and official college transcript must be on file.

Any changes to a student’s educational objective should be reviewed with a counselor in order to update the SEP.

**Prerequisites, Co-requisites and Recommendations**

Citrus College provides students with information about courses which require specific knowledge or skills to be successful in that course. This information comes in the form of a requisite statement which appears under the title of the course. Definitions for prerequisites, co-requisites, and/or recommendation statements you might see are:

- **Prerequisite** - A course that a student is required to complete in order to demonstrate current readiness for enrollment in a course or program. (Example: ENGL 101 must be successfully completed before taking ENGL 103.)

- **Co-requisite** - A course that a student is required to take at the same time with another course. (Example: Students taking MUSE 102 must also take MUSE 101.)

**Recommendation** - A skill or course that is strongly suggested before enrollment in a course, but is not required. (Example: Successful completion of ENGL 101 is strongly recommended for the History 108 honors course.)

**Verification of Prerequisites**

Students are required to provide verification of how skill or course prerequisites have been satisfied prior to their registration date. Students unable to verify how a prerequisite has been satisfied will not be allowed to enroll in those courses. Official transcripts from other colleges may be used to verify course prerequisites. Skills prerequisites must be verified through the Citrus College assessment process or the assessment process from another college. **Please Note: Students must verify prerequisites before being allowed to add a course.** Students on a waitlist will be unable to register unless prerequisites have been cleared prior to permission to add.
Registration

Specific registration dates and hours are listed in the important dates and deadlines section of the class schedule. ALL fees and tuition are collected at the time of registration either online or in person. Additional information regarding the registration procedure is available online at: http://www.citruscollege.edu/ar, click on Registration. See “Important Dates and Deadlines” on pages 3-4 for the scheduled registration times.

WingSpan is the primary method for registration and registration is by online appointment only.

Getting enrolled in credit classes at Citrus College is an easy two-step process after submitting your application.

1. View Appointment
   You may view your registration appointment online on WingSpan on or after the date indicated in the registration dates of the class schedule.

2. Register Online
   You may register online on WingSpan on or after the appointment date and time you were assigned. Please remember to pay your fees by the dates posted to avoid drop for nonpayment for unpaid fees.

Note: See the checklist on pages 8-9 for further instructions.

Registration Limits
A student will not be able to add a course if he or she:
- Has a fee hold, admission hold, or any other hold type.
- Has an academic/progress probation or dismissal.
- Is subject to expulsion or suspension
- Attempts to register for a class that places him or her on overload, and the student has not been approved for an overload
- Attempts to register for a class for which the class time overlaps with another class he or she is already enrolled in
- Has failed to clear the prerequisite(s) for the course
- Has previously enrolled in the class and the enrollment exceeds the number of repetitions allowed.

Enrollment Priority
The California Community Colleges Board of Governors has established system-wide enrollment priorities designed to ensure that classes are available for students seeking job training, degree attainment, or transfer. These priorities also reward students who make progress toward their educational goals.

If you are a new student, you will need to complete assessment, orientation, and an education plan to receive an earlier (higher) registration appointment. Students are strongly encouraged to identify a program of study. It’s very important to work hard in classes and get good grades to maintain your priority registration status.

If you are a continuing student, you must maintain good academic standing and earn a grade point average of a 2.0.

You should enroll only in courses you are sure you can finish. You must complete at least 50% of your courses each semester.

Select classes carefully. If you exceed 100 degree applicable units you may receive a lower priority registration. Degree applicable units do not include basic skill courses.

In some circumstances students may be temporarily exempted from the 100 unit limit. See a counselor if you will be over 75 degree applicable units.

For additional information on enrollment priorities, please see Administrative Policy 5055.

Dropping Classes Online
Students are able to drop classes using WingSpan. If you wish to receive a refund, you must drop the class online by the refund deadline. Please visit the important dates section of the Admissions and Records web page for all deadline dates. To receive the student refund for paid parking permit and/or paid student service sticker, you must return those items to the cashier by the refund deadline(s).
Registration

Paying for Classes
Citrus College allows students two options to pay for fees quickly and easily.
- Choose to pay online on WingSpan by credit card: VISA, MasterCard, Discover or American Express.
- Pay in person at the Cashier’s Office with cash, check, money order or traveler’s check.

Thinking you can’t afford an education could be a costly mistake. See page 16-20 for Financial Aid information. Check out the California College Promise Grant (CCPG) formerly known as the Board of Governor’s Waiver information included in this schedule to see if you qualify.

Instructions for WingSpan—Citrus College’s Online Application and Registration Data System
Complete instructions on how to apply and register on WingSpan are available at https://wingspan.citruscollege.edu. All new and returning students must complete an online application before being allowed to register.

Prerequisite Clearance
Students are required to provide verification of how skill or course prerequisites have been met prior to their registration date. Students unable to verify how a prerequisite has been met will not be allowed to enroll in courses requiring a prerequisite.

Official transcripts from other colleges may be used to verify prerequisites. Skills prerequisites must be verified through the Citrus College assessment process or the assessment process from another college. Students will not be added to waitlist unless prerequisites have been met.

Students wishing higher placement in English or mathematics may bring high school transcripts to the Counseling Office, which will be used to review placement in conjunction with the assessment and multiple measures process.

Challenging Prerequisites
Students may challenge a course prerequisite or co-requisite if they meet one of the following conditions:

1) Knowledge or the ability to succeed in the course without the prerequisite, or
2) Subject to undue delay in attaining their educational plan because the prerequisite or co-requisite course has not been made reasonably available, or
3) Belief that the prerequisite is discriminatory or is being applied in a discriminatory manner, or
4) Belief that the prerequisite was established in violation of regulations and/or the established district-approved policy and procedures.

A Prerequisite Challenge Form may be obtained from the Admissions and Records Office. The student must provide compelling documentation to support the challenge.

Unit Limitation
The maximum number of units in which a student may enroll for a semester is 21 units (fall and spring). The maximum number of units in which a student may enroll for summer and winter sessions is 13 units. A student wishing to take more than the maximum units may file a petition through the Counseling Department. High school students have different limits. Please see AP 5011 Admission and Concurrent Enrollment of High School and Other Students.

Waitlist
Once a class has reached its enrollment capacity, the status of that class will change from “Open” to “Closed.” When a class closes, a waitlist may open, allowing students the option to place themselves on the waitlist. The waitlist has a limit of 20 spots. The first student on the waitlist will be the first to have the opportunity to register and so on.

Students on the waitlist will be contacted via their Citrus College student e-mail address if a seat opens. Once notified via the Citrus College e-mail, students will have 48 hours to register for the class through WingSpan. Students that miss the 48-hour window to register will be removed from the waitlist. The waitlist stops two days prior to the first class meeting.
From the first class meeting forward, students will need an add code to register for the class. Add codes may be issued by the instructors at their discretion. Instructors may use the waitlist order to issue add codes.

Add Codes
An add code may be provided by an instructor to students who were unable to enroll in the class during open registration. When an add code is provided by the instructor, the student will be allowed to add that class during the Late Registration period, the period beginning with the first day of class and ending with the section add deadline date. All classes have a “deadline date” and the add codes will be effective through that “deadline date.” Deadline dates vary by section, please review the Add/Drop/Refund Deadline Dates on the Admissions and Records web page.

Instructors have discretion to issue add codes when he or she has space available in the class. Once you have the add code, you may enter it into WingSpan when prompted. **Make sure you pay online to avoid a fee hold.** You may use the add code only one time. Only one person may use the add code. Once you have used the add code, it becomes invalid.

**Important! Do Not Sell or Give Your Add Codes To Another Student!**
Students who misuse Add Codes will be dropped from the course and will be subject to student discipline proceedings as outlined in Administrative Procedure 5520.

Photo ID Cards
A Citrus College photo ID card is required for all new students. It is a lifetime card with multiple uses on and off campus. It is your library card. The card is available at the library 24 to 48 hours after you pay your registration fees, during scheduled office hours.

Citrus College photo ID cards are available at the Citrus College Library.
Fees

Fee Payment Deadlines
Pay your fees no later than 10 p.m. on the scheduled drop for non payment date to avoid losing your classes. The drop for non-payment schedule may be found on the Important Dates and Deadlines section on pages 3-4.

If fees are not paid by the drop date, you will be dropped from your classes, and any waitlisted section. However, if the CCPG covered your enrollment fee but you still owe the health, student service or student representation fees, you will not be dropped from your classes. You will, however, be flagged with a debt. If you decide not to attend after registering, please drop your classes immediately.

Once classes begin, all students are required to pay fees the day they register. Students who register any time on or after the start of the term will not be dropped for non-payment, but will be responsible for any fees incurred. Holds will be placed on students that fail to pay their fees.

Citrus College Refund Procedures
All classes have three class drop deadlines: the “Refund” deadline, the “Drop without Record” deadline and the “Official Withdrawal” deadline. To be eligible to receive a refund, you must drop your classes by the refund deadline. Deadline dates vary according to the beginning and ending dates of each class. Please see the refund deadline dates posted on the Admissions and Records web page under the heading Deadline Dates at http://www.citruscollege.edu/ar.

It is the student’s responsibility to return the student service fee sticker before the refund deadline(s). Failure to do so will change the amount of your refund.

Refunds
All refunds will be issued by check and students do not need to fill out a form; it’s mailed to the student automatically. Your check will be mailed to the address you have on file with the Admissions and Records Office. Please inform the Admissions and Records Office immediately if you have any address changes or corrections (this includes any apartment number changes). Failure to do so will delay your refund.

Financial Obligations
Citrus College will withhold grades, transcripts, degrees, registration privileges or any combination thereof from any student or former student who has failed to pay any financial obligation due the college (e.g. returned check, unpaid registration fee, etc.). The fee hold on a student’s record will be released when the student satisfactorily meets his or her debt obligation. Debts must be paid in the form of credit card, check, cash, money order, or traveler’s check and additional fees may be added to all returned checks. Citrus College participates in a State collection program.

* International, nonresident and out-of-state students pay tuition and enrollment fees.

Fees are subject to change.
Fees

Any unpaid financial obligation, once submitted to the State for collection, is subject to 133% of the amount owed to the college. The State assesses a 33% penalty for all student debt submitted for collection. In order to avoid the 33% penalty, it is important that students pay any outstanding balance on their account.

Student Service Fees
The Student Services Fee may be waived prior to payment by obtaining a waiver from the Student Affairs Office. This form must be turned in to the cashier in the Student Service Building, so it can be posted to the student account.

If you wish to obtain a refund after paying the Student Services Fee, you must obtain a refund request form from the Student Affairs Office. This form must be turned in to the cashier in the Student Service Building, so it can be posted to your account.

Health Fee Waivers
The Health Fee may be waived only for those students whose religious beliefs require that they rely solely on prayer for healing. In order to receive this waiver, a student must present valid documentation of his or her membership in a religion recognized as demanding compliance with this requirement to the Office of Student Affairs. CCPG students pay a required reduced fee.

Online Education

What Is Online Education?
Online Education (OE) provides students who have schedule, distance or physical limitations an opportunity to access college-level courses online.

Offers Flexibility and Convenience
OE classes have the same content as regular classes; they are simply presented in a different manner. For most courses, students are required to take exams and do homework, just like a traditional course, but there is limited or no classroom time.

Hybrid Courses
A hybrid course is one that is delivered both in the classroom and online. Attendance requirements vary with each class.

Who Should Take an Online Course?
Anyone can take a OE class. Online classes are a great alternative for students who are unable to come regularly to the campus or who, for scheduling reasons, want to combine online and traditional classes.

How Can I Succeed as an Online Student?
A successful online student is:
- Self-motivated
- Organized
- Able to follow written directions and schedules
- Proactive about contacting their instructors. Take this self-assessment to determine if a online education class is a good fit for you:

*Used with permission from Sierra College

Successful online students are also computer literate and are able to:
- Access the Internet;
- Send and receive e-mail;
- Send and receive attachments;
- Participate in chat rooms, discussion boards, and instant messenger systems;
- Read and follow directions on a website.

How Can I Learn More About Online Education?
- Visit http://www.citruscollege.edu/oe and take the OE online orientation.
- Select the session you are interested in attending and view what is being offered.
- Contact the OE office at 626-914-8831.

How Do I Get Started?
1. You must be admitted to Citrus College as a student. Apply at http://www.citruscollege.edu/ar
2. Activate your student e-mail account at http://outlook.com/student.citruscollege.edu
You cannot access information or communicate with instructors without it.
Online Education

3. Before registration, decide which online courses you are interested in taking. Course listings are available in the class schedule online at http://www.citruscollege.edu.

4. Register online on your appointment day/time at https://wingspan.citruscollege.edu for the classes you have chosen.

5. For success tips, see http://www.citruscollege.edu/oe after you have registered. You can complete the OE Orientation at that time.

NOTE: Some instructors have a mandatory on-campus orientation requirement that takes place before classes begin. You will either receive information about the orientation from your instructor by email or Canvas, or it may be listed on your schedule at the time of registration.

7. On the first day of class, go to the class site. Many, though not all, are in Canvas. When you log in, you are verifying that you are the registered student. Read the syllabus and other posted course materials, and then get started with the coursework. Most instructors post assignments that are due during the first week of the term. Some faculty may send a “Welcome Letter.” Do not fall behind.

Out-of-state Students
Out-of-state students who reside outside of California will not be able to register for online classes. Only out-of-state students who reside in California may register for online classes. Federal law requires that colleges obtain permission from the state in which the student resides before offering online education out of state. The California Community College Chancellor’s Office is currently working on state-to-state authorization which would allow out-of-state students to take advantage of our online education. Active military personnel are exempt.

What If I Am Having Trouble Or Need More Information?
The person you should contact in case of difficulties is always your instructor.

Online degrees are available in several subject areas.
Contact the Online Education Office at (626) 914-8831

Department of Campus Safety

In compliance with the Student Right-to-Know and Campus Security Act of 1990, and to ensure a safe, secure environment, the college has adopted the following procedures:

1. Incidents may be reported to Campus Safety by phone at (626) 914-8611 or in person. Campus Safety will write an incident report and if necessary, distribute it to the proper agencies, including, but not limited to, local fire and police departments. The administrator on duty will be informed of the incident as well as other appropriate administrators.

2. Only employees are authorized to have keys to buildings; no students are to have access to campus facilities without employee supervision. Alarm systems and outdoor lighting are integral parts of the campus security system. Facility security problems should be reported to the Facilities Department.

3. Campus Safety has the authority to enforce sections of the Penal Code, California Vehicle Code, Education Code, Board Policies and Administrative Procedures, and the Standards of Conduct; and is the liaison with local police departments in all cases of criminal actions. Any action which is a violation of the Penal Code of the State of California will be reported to the local police. The campus emergency procedures publication states that students and employees should make a prompt and accurate report to Campus Safety in the event of an emergency. It is Campus Safety’s responsibility to make contact with outside agencies.

4. Campus Safety supports campus programs that inform students and employees about being responsible for their own safety and the safety of others.

5. The Standards of Conduct and the State Penal Code prohibit the possession, use and sale of alcoholic beverages and illegal drugs on campus, except as specified in the Education Code.

Crime Prevention Tips
- Walk with confidence and be aware of your surroundings.
- Program the Campus Safety Office number: (626) 914-8611 into your cell phone.
- Download the Citrus Guardian App.
- Carry a cellular phone with you or in your car. This is the fastest way to get help in an emergency.
- After dark, walk with others or take advantage of safety escorts provided by Campus Safety.
- Have your keys in your hand when you approach your car. Check the floor and back seat before getting in.
- Take security measures seriously for your own protection as well as that of others.

Campus Crime Statistics (Clery Act)
The Clery Act requires higher education institutions to give timely warnings of crimes that represent a threat to the safety of students or employees, and to make public their campus security policies. It also requires that crime data is collected, reported and disseminated to the campus community and are also submitted to the U.S. Department of Education. The act is intended to provide students and their families, as higher education consumers, with accurate, complete and timely information about safety on campus so that they can make informed decisions.

The Family Educational Rights and Privacy Act (FERPA) afford eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day Citrus College receives a request for access. A student should submit to the Registrar in the Admissions and Records Office a written request that identifies the record(s) the student wishes to inspect. The Registrar or designee will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

   A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

   If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student’s right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the college discloses personally identifiable information (PII) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student’s prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by Citrus College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of Citrus College who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Citrus College.

Upon request, the school also discloses education records without consent to officials of another school in which a student seeks or intends to enroll on request.
Notification of Rights under FERPA and Directory Information Services

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Citrus College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

FERPA permits the disclosure of PII from students’ education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student –

- Information designated as “directory information” under §99.37. (§99.31(a)(11)) Citrus College may disclose appropriately designated “directory information” without written consent, unless you have opted out of disclosure of directory information in accordance with Citrus College procedures.   - A playbill or program;
  - Honor or other recognition lists;
  - Graduation programs; and
  - Sports activity sheets showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a student’s prior written consent. Outside organizations include, but are not limited to, class management system (Blackboard). In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless students have advised the LEA that they do not want their student’s information disclosed without their prior written consent.

If you do not want Citrus College to disclose directory information from your education records without your prior written consent, you must submit the Withhold Directory Information Form to the Admissions and Records Office before the start of the term. The college has designated the following information as directory information:

- Name
- Dates of attendance

- Degrees and awards received by students, including honors, scholarship awards, athletic awards and Dean’s List recognition

(§99.31(a)(1))
Notification of Rights under FERPA and Directory Information Services

Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university’s State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)

- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. ### Notification of Rights under FERPA and Directory Information Services

El Acta de Derechos de la Familia a la Educación y Privacidad (FERPA por sus siglas en inglés) ofrece a los estudiantes elegibles ciertos derechos relacionados con sus archivos educativos. (Un “estudiante elegible” bajo FERPA es un estudiante que es mayor de 18 años y que asiste a una institución de educación post-secundaria). Estos derechos incluyen:

1. **El derecho de inspeccionar y revisar los archivos educativos del estudiante dentro de un lapso de 45 días después de que Citrus College recibe una solicitud para pedir acceso.** El estudiante debe entregar una petición por escrito a la Oficina de Admisiones y Registros que identifique el archivo/s que el estudiante desea inspeccionar. La directora de la oficina o persona encargada hará los arreglos necesarios para el acceso a dichos archivos y notificará al estudiante del horario y fecha en que el archivo puede ser revisado. Si los archivos que el estudiante busca no se encuentra en dicha oficina, la persona encargada lo dará a conocer al estudiante y le indicará a quién debe de dirigir dicha petición.

2. **El derecho de solicitar una enmienda al archivo educativo del estudiante que el estudiante crea necesaria por ser información incorrecta, engañosa, o que viole la privacidad de los derechos del estudiante bajo FERPA.**

Un estudiante que desea pedirle a la escuela que se realice una enmienda a su archivo educativo debe de dirigir una carta por escrito a la persona encargada de dicho archivo, y claramente identificar la parte del archivo que el estudiante está solicitando sea cambiada, y especificar la razón del cambio.

Si la escuela decide no enmendar al archivo como lo ha solicitado el estudiante, la escuela le notificará al estudiante por escrito de dicha decisión así como del derecho que tiene el estudiante a solicitar una audiencia sobre la solicitud de la enmienda. Información adicional sobre los procedimientos para una audiencia se le darán al estudiante al momento en que se le indique de su derecho a tener una audiencia.

3. **El derecho a dar consentimiento por escrito antes de que el colegio difunda información personal de identificación (PII) que se encuentra en el archivo educativo del estudiante, excepto cuando FERPA autorice la difusión sin consentimiento previo.**

La escuela difunde los archivos educativos sin el consentimiento por escrito previo del estudiante bajo las excepciones que otorga FERPA para difundir información al personal de la escuela que tengan intereses educativos legítimos. El personal de la escuela es una persona que esté empleada por Citrus College en un puesto administrativo, de supervisor, académico, de investigación, o personal en puestos de servicios de apoyo (incluyendo a los agentes del orden personal de la clínica de salud); una persona que es parte de la Junta de Fideicomisarios del Colegio; o un estudiante que es miembro de un comité oficial, tal como un comité de disciplina o de reclamos. Sexual Misconduct Information (Title IX)

Citrus Community College District is committed to providing an educational environment that is safe and free from all forms of discrimination, sexual harassment, and sexual misconduct.

No community can be totally risk-free in today’s society. However, working together, students, faculty, staff, and visitors can help to create an atmosphere which is as safe and crime-free as possible. Sections 66281.5 and 67385.7 of the California Education Code require that community college districts adopt and implement procedures to ensure prompt response to victims of sexual harassment and sexual misconduct which occur both on and off-campus, as well as, providing victims with information regarding post sexual treatment options and services.

Citrus College is proactive in offering a safe environment for students, faculty, staff, and visitors.

and will not tolerate sexual misconduct. For this, Citrus College offers prevention and education information and orientation programs about domestic violence, sexual assault, dating violence, and stalking to students, faculty, staff, and visitors to help prevent the risk of sexual harassment and sexual misconduct on or off-campus. Additional information is available through the Sexual Violence Prevention Statement on the college website at www.citruscollege.edu.

All Citrus College employees are deemed “responsible employees” and must report and violations or alleged violations of sexual harassment, sexual misconduct, domestic violence, dating violence, stalking, and retaliation involving students. A “responsible employee” who receives a report of sexual harassment or sexual misconduct must promptly notify the Title IX Coordinator at (626) 914-8830.

Sexual Harassment (Board Policy 7102/Administrative Procedure 7102.1)

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other conduct of sexual nature when:

- Submission to the conduct is made a term or condition of an individual’s academic status or progress;

- Submission to, or rejection of, the conduct by the individual is used as a basis of academic decisions affecting the individual;

- The conduct is so severe, pervasive, and objectively offensive that the victim is effectively denied access to an educational opportunity or benefit; or

- Submission to, or rejection of, the conduct by the individual is used as the basis for any decision affecting the individual regarding benefits and services, honors, programs, or activities available at or through the community college.

Any student or employee who believes that he/she has been harassed or retaliated against in violation of Board Policy 7102 should immediately report such incidents by following the procedure described in Administrative Procedure 7102.1 entitled “Prohibition of Harassment: Students.” Supervisors are mandated to report all incidents of harassment and retaliation that come to their attention. Employees who violate the policy and procedures may be subject to disciplinary action up to and including termination. Students who violate this policy and related procedures may be subject to disciplinary measures up to and including expulsion.

To file a complaint on allegations of sexual harassment, discrimination, or retaliation based on a protected category against a College employee or student are made to the Title IX Coordinator at (626) 914-8830. To file a complaint, refer to Discrimination Complaint Procedures (Administrative Procedure 7101.1).

Sexual and Other Assault (Board Policy 3540/Administrative Procedure 3540)

Sexual assault is defined as any kind of unwanted sexual contact. This includes, but is not limited to, rape, forced sodomy, forced oral copulation, rape by a foreign object, sexual battery, or threat of sexual assault. Sexual violence may include sexual assault, rape, date rape, acquaintance rape, domestic violence, stalking, dating violence, forcing a person to watch/engage in pornography, harassment, exposing/flashing, voyeurism and/or fondling.

Any sexual violence or physical abuse, including, but not limited to rape as defined by California law, whether committed by a student, faculty, staff or visitor, that occurs on District property, on college owned or controlled property, at college sponsored or supervised functions, or related to or arising from college attendance or activity is a violation of Board Policies and Administrative Procedures, and is subject to all applicable punishment, including criminal procedures and/or civil prosecution, and employee or student discipline procedures. Students, faculty, staff, and visitors who
may be victims of sexual and/or other assaults shall be treated with dignity and provided comprehensive assistance.

Any sexual violence against the wishes and without the affirmative consent of the violated person, whether by a stranger or by an acquaintance, whether against a woman or a man, is a violation of the law. "Affirmative consent" means affirmative, conscious, and voluntary agreements to engage in sexual activity. It is active, not passive. Silence, in and of itself, is not consent. Prior consent is not consent to future acts. A person must be fully conscious and aware of their actions to be able to give consent. This means that a person who is asleep, drugged, intoxicated, unconscious, a minor, mentally impaired, or incapacitated cannot give consent. Intercourse under any of these circumstances is rape.

Any person who has been the victim of sexual misconduct or who has information regarding sexual violence on campus is strongly urged to call 911 or the police or sheriff department in the city where the crime took place and report the situation as soon as possible. If you are the victim of sexual assault on or off-campus you may also:

1. Go to a safe place. If on campus, you may call Campus Safety 24 hours a day, 7 days a week at (626) 914-8611. You may also visit or contact the Student Health Center (SS 147) during business hours at (626) 914-8671.

2. Help preserve evidence. You do not have to decide immediately whether or not you want to pursue a criminal complaint. Collecting evidence immediately following an assault will be helpful if you decide to press charges later.

3. See emotional care and support. Don’t try to deal with this situation alone. Call a friend, family member, or someone with whom you feel you can talk to. A 24 hour rape crisis hotline is available where help may be sought by calling (626) 793-3385.

4. Get medical attention as soon as possible to assess and treat physical injuries you may have sustained and to collect evidence of the assault.

Choose to go directly to a hospital emergency room for medical care. Please keep in mind that there are many off-campus and confidential resources that can provide different support services to you in a time of crisis. This includes but is not limited to:

- **Rape Treatment Center** offers a free rape exam with police officer authorization. Free rape exams are also available without police authorization, although police presence is strongly encouraged. (310) 319-4000 located at 1250 16th Street, Santa Monica CA.

- **Project SISTER Sexual Assault Crisis & Prevention Services** offers immediate crisis assistance in seven languages, seven days a week. They also provide accompaniment/advocacy services in which trained volunteers support and advise survivors of sexual violence and child abuse at the hospital, police station, and during court appearances.

24-hour hotlines:
- (909) 626-HELP (4357) or (626) 966-4155
- Foothill Presbyterian Hospital: 
  (626) 963-8411
- Glendora Police Department: 
  (626) 914-8250
- Family Counseling Services: 
  (626) 308-1414
- Peace Over Violence: 
  (626) 966-4155
- San Bernadino Sexual Assault Services: 
  (626) 885-8884

5. If the perpetrator is a student at Citrus College, consider reporting the assault to the Manager or Human Resources & Staff Diversity/Title IX Coordinator at (626) 914-8830 and/or police. Telling the police does not commit you to further legal action. The Title IX Coordinator, Campus Safety, and Student Health Center are campus Non-Confidential Resources.
Confidentiality and Privacy

Unless explicitly stated, persons or entities on campus are not confidential and may have an obligation to report your disclosure to the Title IX Coordinator at (626) 914-8830.

If you experience any type of sexual misconduct and want to speak to someone confidentially about your options, rights, and experiences, contact a confidential resource.

Student Right-to-Know

In compliance with the Student Right-To-Know and Campus Security Act of 1990, it is the policy of the Citrus Community College District and Citrus College to make available its completion and transfer rates to all current and prospective students.

Student Right-To-Know (SRTK) refers to a federally-mandated public disclosure of a college’s Completion Rate and Transfer Rate. The intent of SRTK is to provide to the consumer a statistic of comparable effectiveness that they can use in the determination of college choice. All colleges nationwide are effectively required to participate in the disclosure of rates by January 2000.

SRTK is a "cohort" study; that is, a group of students who are first-time freshmen who are enrolled full-time and are degree-seeking is identified in a fall term and their outcomes are measured over a period of time. The outcomes that the two SRTK rates measure are completion (the total number of students in the cohort who earn either a degree, a certificate, or who successfully completed a two-year-equivalent transfer-preparatory program) and transfer (the total number of cohort non-completers who were identified as having enrolled in another institution). The tracking period of the cohorts is three (3) years, at which time the SRTK rates are calculated and made public.

SRTK rates are derived and reported yearly on the IPEDS-GRS (Integrated Postsecondary Educational Data System-Graduation Rate Survey). The IPEDS-GRS also tracks part-time student cohorts over a six (6) year period; however, full-time cohort status after 3 years is the only basis for calculating SRTK rates. Access to the Citrus College Student Right-To-Know rates and further information about the rates and how they should be interpreted is available through the "Student Right-To-Know Information Clearinghouse web site" maintained by the Chancellor's Office, California Community Colleges at [http://srtk.cccco.edu/index.asp](http://srtk.cccco.edu/index.asp)

Derecho de los Estudiantes a la Información

En cumplimiento del Acta de Derecho de los Estudiantes a la Información y del Acta de Seguridad en el Campus de 1990, es la política de Distrito Citrus Community College y de Citrus College hacer disponible la información sobre los tasa de transferencia y de cursos completados a todos los estudiantes actuales y futuros.

El Derecho de los Estudiantes a la Información (Student Right-To-Know, SRTK por sus siglas en inglés) se refiere al mandato federal que requiere que se haga pública la tasa del porcentaje de estudiantes que se transfieren y que terminan los requisitos. La intención de SRTK es ofrecer al consumidores estadísticas comparativas para que puedan determinar cualquier colegio seleccionar. Se requiere que todos los colegios a nivel nacional participen de forma efectiva en hacer pública esta información a partir del 2000.

SRTK es un "grupo específico" del cual se adquiere información; lo que quiere decir que un grupo de estudiantes que por primera vez entran al colegio, estudiantes “freshmen” que están inscritos de tiempo completo en busca de un título, se inscriben durante el otoño y el resultado de su estudiantes se mide a lo largo de un periodo de tiempo. Los resultados que mide SRTK son la tasa de Cumplimiento (el total del número de estudiantes en el “grupo específico” que logran obtener su título, certificado, o que de forma exitosa terminan un programa equivalente de dos años de transferencia) y la tasa de Transferencias (el número total del “grupo específico” que no lograron completar el curso de estudios y fueron identificados de haberse inscrito en otra institución).
El periodo de recolección de información del grupo específico es de tres (3) años, durante el cual las tasas de SRTK serán calculadas y se harán públicas. Las Tasas de SRTK se derivan y se reportan cada año en el IPEDS-GRS (Integrated Postsecondary Educational Data System-Graduation Rate Survey por sus siglas en inglés). El IPEDS-GRS también colecciona información de estudiantes de grupos específicos de medio tiempo durante el transcurso de seis (6) años; sin embargo, la base para calcular la tasa de SRTK para los estudiantes de tiempo completo dentro de los grupos específicos sólo se colecciona por tres años.

Acceso a las Tasas y al Derecho de Información para Estudiantes de Citrus College e información adicional sobre las tasas y sobre cómo deben interpretarse está disponible en el sitio de internet de Acceso a la Información "Student Right-To-Know Information Clearinghouse web site" mantenido por la Oficina del Canciller de los Colegios Comunitarios de California
