

Department of Campus Safety

In compliance with the Student Right-to-Know and Campus Security Act of 1990, and to ensure a safe, secure environment, the college has adopted the following procedures:

1. Incidents may be reported to Campus Safety by phone at (626) 914-8611 or in person. Campus Safety will write an incident report and if necessary, distribute it to the proper agencies, including, but not limited to, local fire and police departments. The administrator on duty will be informed of the incident as well as other appropriate administrators.
2. Only employees are authorized to have keys to buildings; **no students are to have access to campus facilities without employee supervision.** Alarm systems and outdoor lighting are integral parts of the campus security system. Facility security problems should be reported to the Facilities Department.
3. Campus Safety has the authority to enforce sections of the Penal Code, California Vehicle Code, Education Code, Board Policies and Administrative Procedures, and the Standards of Conduct; and is the liaison with local police departments in all cases of criminal actions. Any action which is a violation of the Penal Code of the State of California will be reported to the local police. The campus emergency procedures publication states that students and employees should make a prompt and accurate report to Campus Safety in the event of an emergency. It is Campus Safety's responsibility to make contact with outside agencies.
4. Campus Safety supports campus programs that inform students and employees about being responsible for their own safety and the safety of others.
5. The Standards of Conduct and the State Penal Code prohibit the possession, use and sale of alcoholic beverages and illegal drugs on campus, except as specified in the Education Code.
