

Pet of the Month

Sponsored by Classified Staff Development

Tagger loves playing with toys, playing fetch, chewing furniture, burying/digging up treasures, and playing in water. He also loves snuggling, being brushed, and being bathed. We take long walks and light hikes and so far he hasn't met anyone he doesn't like! He has endless energy and loves life.

He was a stray adopted from the SPCA-LA South Bay in November 2016.
