

UNIVERSITY OF CALIFORNIA (UC)

WHAT DO I NEED TO TRANSFER?

Minimum Admission Requirements

General Education (G.E.) -

Complete the following seven-course pattern with a "C" grade or better.

2 UC transferable English composition courses

1 UC transferable mathematical concepts and quantitative reasoning course

4 courses from at least two of the following areas:

Arts & Humanities

Social & Behavioral Science

Physical & Biological Science

**If following IGETC, the seven course pattern will be satisfied.*

Major Preparation – Check www.assist.org

Many majors require that you complete specific courses prior to transfer to be eligible or competitive for admission and to help you graduate in a timely manner. Use assist.org to find courses from Citrus College that fulfill major requirements. Always check with a counselor/advisor for questions you have.

Electives -

Additional UC transferable courses needed to reach the 60 units.

UC Transfer Admission Planner (TAP)

UC TAP is an online tool that helps you **plan** your coursework from the very beginning of your college career or at any point when you decide to transfer to a UC. The planner lets you **track** your progress towards meeting UC minimum admission requirements and allows UC staff to communicate important information about transfer to prospective students.
