CITRUS COMMUNITY COLLEGE DISTRICT 1000 W. Foothill Blvd., Glendora, CA 91741-1899

Dear Citrus College Students,

As you begin to plan for your summer and fall 2021 terms, we are pleased to share with you that Citrus College will provide a limited number of on-campus program offerings. Staff and faculty are diligently working to reopen the campus in tiered phases, adhering to the [college's reopening plan](#) and the state's "Blueprint for a Safer Economy (Blueprint)" which all California community colleges must follow.

While we are all eager to return to campus, the majority of classes and support services will continue in a remote/online format through the end of the fall 2021 semester.

Summer and fall 2021 [class schedules](#) are now available online and you can view your registration appointment time beginning April 26. Registration for both terms begins on May 10.

In order to ensure your registration questions can be answered promptly, a [virtual registration assistance lobby](#) will be available on May 10 and 11 from 9-10 a.m. and on May 12 and 13 from 1-3 p.m., to assist you in real-time.

In addition to virtual registration services, we want to remind you of the services related to healthcare, emotional support, basic needs, Wi-Fi, and learning from home, that are available on the [Student Resources](#) page on Citrus College's [COVID-19 website](#).
