MUSHU!

Mushu was adopted from a Pug Rescue of San Diego County in 2011, when he was three. He wasted no time becoming king of the castle and ruler of everyone's hearts.

This Christmas he took his first cross country road trip to visit his family in Illinois. He loved seeing the family, but hated the cold.

Despite his love of watching the Cubs play baseball, he's a California pug through and through.

Citrus College

Mushu belongs to Elizabeth Cook-Instructional Design Librarian
