

PET OF THE MONTH DECEMBER 2022

Meet Lady!
She is a rescue from
PetEmber Animal Rescue.
www.petember.com

I have trained Lady to be a comfort dog to others. To date, she has comforted others in grief, children who are crying, visits my uncle's assisted living care facility, and makes everyone who interacts laugh and fall in love with her. My students suggested and voted on her name when I got her and was teaching on Zoom.

Lady belongs to
Tasha Van Horn
Faculty - Speech

During this holiday season, or any time, Tasha encourages others to considering giving a rescue animal a forever home!
