

FEATURED FACULTY
MAY 2019

I am an avid reader. In 2018, I challenged myself to read 100 books, and I did it! I actually read over 100 books because I don't count re-reads, and I generally re-read 7-10 books a year. I have since decided to make this a yearly goal, and I have already read over 40 books in 2019 (I have no kids). I read all genres, and I'm always looking for recommendations, so feel free to share! As a side note, 94 of my 100 books came from public libraries in Orange County and the Glendora Public Library, so please support your public libraries!

FUN FACT!

I've practiced martial arts since I was 5, so I'm basically a ninja. Yes, I'm the one you saw walking around campus in a medical boot for essentially all of 2018. (I didn't say I was a good ninja)
