A College of Completion

Citrus College: A College of Completion is an initiative designed to encourage and support students as they endeavor to complete their educations, transfer to baccalaureate degree programs and enter the career fields of their choice. This collegewide effort is a response to a 2009 challenge from the White House for the nation's community colleges to produce an additional 8 million college graduates by 2020.

A College of Completion, like all of Citrus College's academic programs and student services, focuses on student success, with college completion as its pinnacle. The initiative engages every part of the Citrus College community: students, faculty and staff.

"The College of Completion campaign enables us to publicly declare our commitment to the academic achievement of our student body and it puts college completion front and center of our priorities."

AB 540 Nonresident Tuition Exemption

U.S. citizens, permanent residents and undocumented persons who attended a California high school for a minimum of three years and graduated from a California high school or attained the equivalent, may be eligible for an exemption from the nonresident tuition fee. Students who are nonimmigrant aliens (e.g., F-visa holders or B-visa holders) are not eligible for this AB 540 exemption. To qualify for the AB 540 waiver, students must fill out the AB 540 California Nonresident Tuition Exemption Request form and provide a copy of their official high school transcripts to the Admissions and Records Office.

Residencia

En el momento de ser admitidos, los estudiantes serán clasificados como residentes de California o como no residentes. Tanto los residente como los no residentes pueden inscribirse, pero los no residentes tendrán que pagar cuotas de matriculación además de la cuota de inscripción. Es la responsabilidad del estudiante presentar documentos que comprueben su residencia.

Los no residentes son aquellos que han vivido en el estado por menos de un año antes de que inicie el semestre o aquellos que tienen visas de no-inmigrantes lo que impide que puedan establecer residencia.

Important! If you are undocumented, you may attend Citrus College and any other state college or university. You will not be denied admission to Citrus College based on your immigration status.

Financial Aid Information

Financial Aid

Financial aid refers to any grant, scholarship, loan or paid employment offered to help a student meet his/her college expenses. These monies can be merit-based and/or need-based. Merit-based financial aid is typically awarded for outstanding academic achievement, special talents such as athletics, leadership potential, or other personal characteristics. Need-based financial aid is awarded on the basis of a student's financial need which is determined by the Free Application for Federal Student Aid (FAFSA) application.

Covered Expenses

Financial aid awards can be used to cover a variety of expenses, depending upon the type of award students receive. In general, financial aid is used to cover all education-related expenses, including tuition and fees, room and board, books and supplies, and transportation. It can also cover computer and dependent childcare expenses as well as housing. Different types of awards may cover different types of expenses. For example, Cal Grant A awards provide funds to help pay tuition and fees at qualifying institutions while Cal Grant B awards also cover living expenses, transportation, books, and supplies. Some scholarships specify how the student may spend the funds.

Types of Aid

- Federal Pell Grants
- Cal Grants (offered by the State of California)
- Full Time Student Success Grant
- The Board of Governor's Fee Waiver (offered by the State of California)
- The Chafee Grant (offered by the State of California to foster youth)
- Work Study Programs
- Scholarships
- Student loans

Federal Pell Grants

The Pell grant award will be based upon a student's financial need, costs to attend school, and enrollment status.

Cal Grants

The amount of a Cal Grant varies depending upon what type of Cal Grant award students receive. Cal Grant A recipients currently attending a community college will not receive payment at the community college level. This award may be held in reserve for two years for use when a student transfers to a university. Cal Grant B award recipients may receive up to \$1,656 at a California community college, and Cal Grant C recipients may receive up to \$547 at a California community college.

To be eligible for a **Cal Grant**, students must meet the following **additional requirements**:

- Be an in-state resident or AB 540 eligible
- Complete a GPA verification form (for Cal Grants A&B) by the March 2nd or September 2nd deadlines.
- Complete the FAFSA.

Full Time Student Success Grant

This award is for Full Time Cal Grant B recipients. The award amount varies.

Board of Governor's Fee Waiver (BOGW)

This award waives the enrollment fees charged by a California community college. Students do not actually receive any money from a BOGW. If they paid their tuition before being awarded the BOGW, the student will receive a refund for the amount they paid.

Financial Aid Information

Loss of Governor's Fee Waiver

SB 1456 establishes the Student Success Act of 2012 and requires that any student with two consecutive terms of not meeting academic and/or progress standards lose their BOG Fee Waiver. Not meeting academic standards means having less than a 2.0 GPA. Not meeting progress standards means completing less than 50% of your coursework. Foster Youth 24 years and younger and students who qualify for one of the special classifications are not subject to loss of fee waiver under these regulations.

Loss of eligibility will become effective at the first registration opportunity for the fall 2016 term. If a student registers for a term before he/she has two terms of probation, loss will occur for the following term. If a student registers for a term after determination of two terms of probation, loss occurs for the upcoming term. Students can regain eligibility by meeting one of the following criteria: meeting academic and progress standards, sitting out for two consecutive primary terms (summer and winter intersessions do not count), successfully appealing the loss. An appeal process will be available for students who have extenuating circumstances.

Students should seek appropriate student and academic support services when needed. For a list of student support services please visit the Student Services page on the Citrus College web site.

Chafee Grant

Chafee grant recipients may qualify for up to \$5,000 a year as long as they are current or former foster youth who have not reached their 22nd birthday as of July 1 of the award year.

Federal Work Study

Students are paid an hourly wage for work performed on or off campus.

Scholarships

The amount of money students receive for scholarships varies depending on the donor and the award criteria, but some of the most common amounts range from \$500 to

\$2,000. Please check the Financial Aid website for scholarship information.

Loans

Loans constitute a form of financial aid that must be repaid with interest (the money charged for borrowing the loan amount). However, unlike other kinds of loans, Federal Direct student loans do not have to be repaid until a student leaves school and carry lower interest rates than most other kinds of loans. These loans are available as **Subsidized, Unsubsidized loans, and PLUS**. Keep in mind that although Federal Direct Loans do not have to be repaid while students are enrolled at least half-time, unsubsidized student loans, accrue interest even while in school. If interest payments are deferred, the interest charged for borrowing the money is added to the amount borrowed, resulting in a significantly higher amount of money to be repaid. **Note:** Students should seek all OTHER available financial aid resources BEFORE applying for a loan. Applying for a loan should be a last option.

Financial Aid Eligibility

Any student who meets all eligibility criteria for financial aid may receive it. To be eligible for **federal financial aid**, students must meet the following requirements:

- Be a US citizen, US national, permanent resident, refugee, asylee, or other eligible non-citizen
- Have a valid social security number
- Enroll in a minimum number of units
- Enroll in an undergraduate program that leads to a degree or certificate
- Register for the Selective Service (if male)
- Not be in default on a federal educational loan and not owe a refund on a federal grant
- Make satisfactory academic progress
- Demonstrate financial need

Students with Bachelor's Degrees

Students who hold a bachelor's degree or higher are NOT eligible for a Federal Pell Grant or Cal Grant. This includes a B.A. degree or the equivalent from a foreign country.

Financial Aid Information

Students without a High School Diploma

First time college students who do not have a high school diploma or General Education Diploma (GED), National High School Equivalency Testing Program (HiSET), Test Assessing Secondary Completion (TASC) Exam, or who have not passed the California Proficiency Exam (CPE), or who do not have a home school certificate are NOT eligible for federal or state financial aid.

AB540 Students

Students who meet the AB 540 non-resident exemption requirement, including undocumented students, are eligible for some state aid. Eligible students can apply for the BOG Fee Waiver, EOP&S services and Chafee Grant. To learn more about these programs, please visit the California Student Aid Commission's website and the Citrus College AB540 web page.

Applying for Financial Aid

1. Complete or renew the FAFSA application online every year at: www.fafsa.gov. List Citrus College's **school code: 001166**. If eligible, use the IRS Data Retrieval Tool and you will be able to expedite the processing of your financial aid file.
2. Once the financial aid office has received your application, you will be sent a "tracking" e-mail to your Citrus College e-mail account. This e-mail will inform you of any documentation that will need to be submitted in order to process and complete your financial aid file.
3. Submit all required paperwork to the financial aid office in a timely manner, either via postal mail or in person. Once all forms have been submitted, the financial aid office will verify the information and make any necessary corrections. The financial aid process takes up to 6 weeks, so it is important to complete the FAFSA, respond as quickly as possible and be patient.

4. If you are eligible for a financial aid award, you will receive an "Award Notification" e-mail. All award amounts are based on full-time attendance.

If you do not attend full-time, your financial aid award will be adjusted based on the number of units you are enrolled in. Late start and wait-listed courses are not counted towards your award until the class starts. Approved consortium units are not counted towards your award until after they have been completed.

Maintaining Financial Aid Eligibility

To continue to receive financial aid, students must:

- Maintain a GPA of 2.0 or higher
- Complete 75% of all units attempted
- Not exceed 90 attempted units or 150% of the units required for their certificate program

Minimum Units

Financial aid eligibility is based on the number of units a student is enrolled in. The number of units required to achieve full-time status is 12 units and results in the maximum amount a student may receive for an award. However, students may also receive funds for three quarter time (9-11.5 units), half-time (6-8 units), and less than half-time (0.5-5.5 units) enrollment.

Cal Grants, loans, and federal work study programs require students to be enrolled at least half-time. Students can be enrolled less than half-time and receive a Pell grant. This enrollment classification applies to fall, spring, and summer.

Terms of Offer

In accepting an offer of financial aid, you acknowledge responsibility for understanding and complying with all the laws, regulations and rules that govern the various financial aid programs. The TERMS OF OFFER is an official agreement between you and the Financial Aid Office and is in force throughout the term of the award.

Financial Aid

Failure to comply with all of the laws, regulations and rules, may result in cancellation or an adjustment of the award and may require repayment of part or all funds disbursed to you. The TERMS OF OFFER is subject to change without prior notice due to the various laws, regulations, and rules that change frequently. The following general requirements apply to all financial aid programs:

1. **Availability of Funds:** All awards are made on condition that funds are available. In the event that the state or federal governments reduce or eliminate funds, the Financial Aid Office will reduce and/or cancel your award.
2. **Change in Information:** Any change in your legal name, address, social security number or telephone number *must* be immediately reported to the Admissions and Records Office AND the Financial Aid Office.
3. **Enrollment, Change in Enrollment Status, Late Start Classes, Withdrawal:** Initial financial aid award notifications are based on full-time status and offered on the condition that you are enrolled and attending courses at this college. Student's actual payment amount is based on actual enrollment at time of disbursement. You will receive a disbursement for three-quarter time status if you enroll in and maintain 9 to 11.5 units. Half-time status is 6 to 8.5 units. Less than halftime disbursements are based on 0.5 to 5.5 units.

Late-Start/Short-Term Classes will not be counted towards your enrollment status until the class actually starts. As a result, your disbursement will be reduced or delayed until the actual class begins. Approved consortium units will not be paid until after courses have been completed and official transcripts have been received.

A change in enrollment status during a semester may change or cancel your award. Should you withdraw, your remaining financial aid award will be cancelled.

Withdrawing From School: Any student who receives financial aid and withdraws from ALL classes prior to completing 60% of the semester/program and/or courses may be required to repay a portion of all federal financial aid received. **CONTACT THE FINANCIAL AID OFFICE BEFORE WITHDRAWING FROM ALL COURSES.** (See Return of Title IV Policy at <http://www.citruscollege.edu/stdntsrv/finaid/>)

4. **Satisfactory Academic Progress:** By accepting financial aid, you have read and understand the Financial Aid Office Satisfactory Academic Progress (SAP) Standards. Should you fail to meet the financial aid SAP standards your financial aid may be cancelled and result in an overpayment. See SAP Policy at <http://www.citruscollege.edu/stdntsrv/finaid>.
5. **Over-awards:** Regardless of the reason, any funds received in excess of the amount that the student is entitled to must be repaid by the student.

- Referrals to appropriate support services and curriculum offerings

The student’s responsibility is to:

The purpose of the assessment process at Citrus College is to provide information regarding skills (language and mathematics) and activities necessary for a successful college experience. Student-reported information is also used in addition to available official high school and/or college transcripts. Other factors that are used in assessing college readiness may include evaluation of study skills, goals and career aspirations, and the results of the Accuplacer assessment.

The assessment information assists the counselor in outlining a useful and clear educational program for the student's long-range educational plan and the eventual attainment of a chosen career.

Assessment and orientations are scheduled periodically throughout the year. For more information, please view the assessment/orientation schedule at <http://www.citruscollege.edu/lc/testing/Pages/AssessmentPlacementTesting.aspx>

Counseling

The Citrus College counseling staff provides a variety of counseling services including educational planning, career counseling, transfer counseling, personal counseling (including discussing personal concerns and issues affecting students' academic progress), Disabled Student Programs and Services (DSP&S), and Extended Opportunity Programs and Services/Cooperative Agencies Resources for Education (EOP&S/CARE). These counselors assist with long-range planning and checking specific requirements so that students meet graduation requirements, course prerequisites, and requirements for transfer to four-year colleges or universities.

New, nonexempt students are strongly encouraged to see a counselor. For further support, it is recommended the student take COUN 156 College Planning, COUN 159 On Course to Success, or COUN 160 Strategies for College Success during the first semester of attendance. Veterans planning to receive G.I. benefits are also required to see a counselor prior to registration if they are new or returning students, or if they have attempted 45 or more units of accredited college work. Students planning to transfer to a four-year college and those planning to graduate are strongly encouraged to see a counselor well in advance of registration.

It is important for all students to have a Student Educational Plan (SEP) while attending Citrus College. The SEP lists courses that pertain to the identified course of study. It is also required for participation in many programs on campus. Check with the Counseling and Advisement Center, or appropriate counseling office in which you are eligible to receive services, for available SEP services.

- **Students with 15 units or less:** Non-exempt first-time students with 15 college units or less will be able to complete an abbreviated SEP (first semester plan) during an in-person orientation or Course Planning Session. A listing of both schedules can be viewed at <http://citruscollege.edu/lc/testing/Pages/AssessmentPlacementTesting.aspx> and <http://citruscollege.edu/stdntsrv/counsel/Pages/default.aspx> Prior to the SEP session, assessment and orientation must be completed.

Student Success and Support Program

- **Students with 16 units or more:** Non-exempt first time students will be advised to meet with a counselor during an individual appointment to create a SEP. Prior to the appointment, students must complete assessment, complete orientation, declare a course of study (selected on application or submitted a Course of Study Change Form to the Admissions and Records Office), and official college transcripts must be on file.
- **Students with 15 degree applicable units (course number is 100 level or higher) or prior to the end of the 3rd semester:** Non-exempt continuing students will be advised to meet with a counselor during an individual appointment to complete a comprehensive SEP (multi-semester plan). Prior to the appointment, students must complete assessment, complete orientation, declare a course of study (selected on application or submitted a Course of Study Change Form to the Admissions and Records Office), and official college transcript must be on file.

Any changes to a student's educational objective should be reviewed with a counselor in order to update the SEP.

Prerequisites, Co-requisites and Recommendations

Citrus College provides students with information about courses which require specific knowledge or skills to be successful in that course. This information comes in the form of a requisite statement which appears under the title of the course. Definitions for prerequisites, co-requisites, and/or recommendation statements you might see are:

Prerequisite - A course that a student is required to complete in order to demonstrate current readiness for enrollment in a course or program. (Example: ENGL 101 must be successfully completed before taking ENGL 103.)

Co-requisite - A course that a student is required to take at the same time with another

course. (Example: Students taking MUSE 102 must also take MUSE 101.)

Recommendation - A skill or course that is strongly suggested before enrollment in a course, but is not required. (Example: Successful completion of ENGL 101 is strongly recommended for the History 108 honors course.)

Verification of Prerequisites

Students are required to provide verification of how skill or course prerequisites have been satisfied prior to their registration date. Students unable to verify how a prerequisite has been satisfied will not be allowed to enroll in those courses. Official transcripts from other colleges may be used to verify course prerequisites. Skills prerequisites must be verified through the Citrus College assessment process or the assessment process from another college. **Please Note: Students must verify prerequisites before being allowed to add a course.** Students on a waitlist will be unable to register unless prerequisites have been cleared prior to permission to add.

Registration

Registration

Specific registration dates and hours are listed in the important dates and deadlines section of the class schedule. ALL fees and tuition are collected at the time of registration either online or in person. Additional information regarding the registration procedure is available online at: <http://www.citruscollege.edu/ar>, click on Registration.

See “Important Dates and Deadlines” on page 3 for the scheduled registration times.

WingSpan is the primary method for registration and registration is by online appointment only.

Getting enrolled in credit classes at Citrus College is an easy two-step process after submitting your application.

1. View Appointment

You may view your registration appointment online after the date indicated in the registration dates of the class schedule. Go to: <https://wingspan.citruscollege.edu> and click on “Enter Secure Area.”

2. Register Online

You may register online on or after the appointment date and time you have received. Please remember to pay your fees by the dates posted to avoid roll-out of classes for unpaid fees.

Note: See the checklist on pages 8-11 for further instructions.

Registration Limits

A student will not be able to add a course if he or she:

- Has a fee hold, admission hold, or any other type of hold
- Is on academic/progress probation or dismissal
- Is subject to expulsion or suspension
- Attempts to register for a class that places him or her on overload, and the student has not been approved for an overload
- Attempts to register for a class for which the class time overlaps with another class he or she is already enrolled in
- Has failed to clear the prerequisite(s) for the course
- Has previously enrolled in the class and the enrollment exceeds the number of repetitions allowed.

Enrollment Priority

The California Community Colleges Board of Governors has established system-wide enrollment priorities designed to ensure that classes are available for students seeking job training, degree attainment, or transfer. These priorities also reward students who make progress toward their educational goals.

If you are a **new student**, you will need to complete assessment, orientation, and an education plan to receive an earlier (higher) registration appointment. Students are strongly encouraged to identify a program of study. It's very important to work hard in classes and get good grades to maintain your priority registration status.

If you are a **continuing student**, you must maintain good academic standing and earn a grade point average of a 2.0.

You should enroll only in courses you are sure you can finish. You must complete at least 50% of your courses each semester.

Select classes carefully. If you exceed 100 degree applicable units you may receive a lower priority registration. Degree applicable units do not include basic skill courses.

In some circumstances students may be temporarily exempted from the 100 unit limit. See a counselor if you will be over 75 degree applicable units.

For additional information on enrollment priorities, please see Administrative Policy 5055.

Dropping Classes Online

Students are able to drop classes using WingSpan. If you wish to receive a refund, you must drop the class online by the refund deadline. Please visit the important dates section of the Admissions and Records web page for all deadline dates. To receive the student refund for paid parking permit and/or paid student service sticker, you must return those items to the cashier by the refund deadline(s) for his/her classes.

Registration

Paying for Classes

WingSpan allows Citrus College students two options to pay their fees quickly and easily.

- Choose to pay online by credit card: VISA, MasterCard, Discover or American Express.
- Pay in person with cash, check, money order or traveler's check.

Thinking you can't afford an education could be a costly mistake. See page 16-20 for Financial Aid information. Check out the BOGW (Board of Governor's Waiver) information included in this schedule to see if you qualify.

Instructions for WingSpan—Citrus College's Online Application and Registration Data System

Complete instructions on how to apply and register on WingSpan are available at <https://wingspan.citruscollege.edu> All new and returning students must complete an online application before being allowed to register.

Prerequisite Clearance

Students are required to provide verification of how skill or course prerequisites have been met prior to their registration date. Students unable to verify how a prerequisite has been met will not be allowed to enroll in courses requiring a prerequisite.

Official transcripts from other colleges may be used to verify prerequisites. Skills prerequisites must be verified through the Citrus College assessment process or the assessment process from another college. Students will not be added to waitlist unless prerequisites have been met.

Students wishing higher placement in English or mathematics may bring high school transcripts to the Counseling Office, which will be used to review placement in conjunction with the assessment and multiple measures process.

Challenging Prerequisites

Students may challenge a course prerequisite or co-requisite if they meet one of the following conditions:

- 1) Knowledge or the ability to succeed in the course without the prerequisite, **or**
- 2) Subject to undue delay in attaining their educational plan because the prerequisite or co-requisite course has not been made reasonably available, **or**
- 3) Belief that the prerequisite is discriminatory or is being applied in a discriminatory manner, **or**
- 4) Belief that the prerequisite was established in violation of regulations and/or the established district-approved policy and procedures.

A Prerequisite Challenge Form may be obtained from the Admissions and Records Office. The student must provide compelling documentation to support the challenge.

Unit Limitation

The maximum number of units in which a student may enroll for a semester is 21 units (fall and spring). The maximum number of units in which a student may enroll for summer and winter sessions is 13 units. A student wishing to take more than the maximum units may file a petition through the Counseling Department. High school students have different limits. Please see AP 5011 Admission and Concurrent Enrollment of High School and Other Students.

Waitlist

Once a class has reached its enrollment capacity, the status of that class will change from "Open" to "Closed." When a class closes, a waitlist may open, allowing students the option to place themselves on the waitlist. The waitlist has a limit of 20 spots. The first student on the waitlist will be the first to have the opportunity to register and so on.

Students on the waitlist will be contacted via their Citrus College student e-mail address if a seat opens. Once notified via the Citrus College e-mail, students will have 24 hours to register for the class through WingSpan. Students that miss the 24-hour window to register will be removed from the waitlist. The waitlist stops two days prior to the first class meeting.

Registration

From the first class meeting forward, students will need an add code from the instructor to register for the class. Add codes will be issued by the instructors at their discretion. Instructors may use the waitlist order to issue add codes.

Add Codes

An add code may be provided by an instructor to students who were unable to enroll in the class.

Add codes will be available from the instructor at the first class meeting. When an add code is provided by the instructor, the student will be allowed to add that class during Late Registration, the period beginning with the first day of class and ending with the deadline date. All classes have a “deadline date” and the add codes will be effective through that “deadline date.” Deadline dates vary by section, please review the Add/Drop/Refund Deadline Dates on the Admissions and Records web page.

Instructors have the discretion to issue add codes when he or she has space available in the class. Once you have the code, you may enter it into

WingSpan when asked to provide the code upon registering online. **You will also update your payment at the same time, online.** You may use the code only one time. Only one person may use the code. Once you have used the add code, the code becomes invalid.

Important! Do Not Sell or Give Your Add Codes To Another Student!

Students who misuse Add Codes will be dropped from the course and will be subject to student discipline proceedings as outlined in Administrative Procedure 5520.

Photo ID Cards

A Citrus College photo ID card is required for all new students. It is a lifetime card with multiple uses on and off campus. It is your library card. The card is available at the library 24 to 48 hours after you pay your registration fees, during scheduled office hours.

Citrus College photo ID cards are available at the Citrus College Library.

Fees

Fee Payment Deadlines

Pay your fees no later than 10 p.m. the day of roll-out to avoid losing your classes. The weekly roll-out schedule may be found on the Important Dates and Deadlines section on page 3.

If fees are not paid by the roll-out date, you will be dropped from your classes, including any waitlist courses. However, if the BOGW covered your enrollment fee but you still owe the health, student service or student representation fees, you will not be dropped from your classes. You will, however, be flagged with a debt. If you decide not to attend after registering, please drop your classes immediately.

Once classes begin, all students are required to pay fees the day they register. Students who register any time on or after **the start of the term** will not be rolled out for non-payment, but will be responsible for any fees incurred. Holds will be placed on students that fail to pay their fees.

Citrus College Refund Procedures

All classes have three class drop deadlines: the “Refund” deadline, the “Drop without Record” deadline and the “Official Withdrawal” deadline. To be eligible to receive a refund, you must drop your classes by the refund deadline. Deadline dates vary according to the beginning and ending dates of each class. Please see the refund deadline dates posted on the Admissions and Records web page under the heading **Deadline Dates** at <http://www.citruscollege.edu/ar>.

It is the student's responsibility to return the student service fee sticker before the refund deadline(s). Failure to do so will change the amount of your refund.

Refunds

All refunds will be issued by check and students do not need to fill out a form; it's mailed to the student automatically. Your check will be mailed to the address you have on file with the Admissions and Records Office. **Please inform the Admissions and Records Office immediately if you have any address changes or corrections (this includes any apartment number changes). Failure to do so will delay your refund.** All refunds are subject to approval by the Citrus Community College District.

Financial Obligations

Citrus College will withhold grades, transcripts, degrees, registration privileges or any combination thereof from any student or former student who has failed to pay any financial obligation due the college (e.g. returned check, unpaid registration fee, etc.). The fee hold on a student's record will be released when the student satisfactorily meets his or her debt obligation. Debts must be paid in the form of credit card, check, cash, money order, or traveler's check and additional fees may be added to all returned checks. Citrus College participates in a State collection program. Any unpaid financial obligation, once submitted to the State for collection, is subject to 133% of the amount owed to the college. The State assesses a 33% penalty for all student debt submitted for collection. In order to avoid the 33% penalty, it is important that students pay any outstanding balance on their account.

Fees

Student Service Fees

The Student Services Fee may be waived prior to payment by obtaining a waiver from the Student Affairs Office. This form must be turned in to the cashier in the Student Service Building, so it can be posted to the student account.

If you wish to obtain a refund after paying the Student Services Fee, you must obtain a refund request form from the Student Affairs Office. This form must be turned in to the cashier in the Student Service Building, so it can be posted to your account.

Refund forms must be submitted before the refund deadline. Waiving or receiving a Student Services Fee refund makes a student ineligible for the benefits associated with this fee.

Health Fee Waivers

The Health Fee may be waived only for those students whose religious beliefs require that they rely solely on prayer for healing. In order to receive this waiver, a student must present valid documentation of his or her membership in a religion recognized as demanding compliance with this requirement to the Office of Student Affairs. BOGW students pay a required reduced fee.

Associated Students of Citrus College Student Government

The Associated Students of Citrus College (ASCC) is made up of all students who attend Citrus College and pay their ASCC student service fee. Members of ASCC's executive board and program board plan and execute a variety of educational and social activities open to all students.

In compliance with shared governance mandates, the ASCC has an active voice in college-wide committees, ensuring that students' needs and opinions are considered in decisions affecting their education.

Something for Everyone

ASCC offers a number of opportunities and activities to meet the needs and interests of all students. Whether you're interested in planning and producing college-wide activities, participating in student government, or just making new friends in any of the ASCC's diverse clubs, you'll find the program that's right for you. As an ASCC member, you're entitled to many services and benefits, as well as discounts at local businesses and amusement parks.

Distance Education – Online Classes

What Is Distance Education?

Distance Education (DE) provides students who have schedule, distance or physical limitations an opportunity to access college-level courses online.

Offers Flexibility and Convenience

DE classes have the same content as regular classes; they are simply presented in a different manner. For most courses, students are required to take exams and do homework, just like a traditional course, but there is limited or no classroom time.

Hybrid Courses

A hybrid course is one that is delivered both in the classroom and online. Attendance requirements vary with each class.

Who Should Take an Online Course?

Anyone can take a DE class. Online classes are a great alternative for students who are unable to come regularly to the campus or who, for scheduling reasons, want to combine online and traditional classes.

How Can I Succeed as an Online Student?

A successful online student is:

- Self-motivated
- Organized
- Able to follow written directions and schedules
- Proactive about contacting their instructors. Take this self-assessment to determine if a distance education class is a good fit for you:
<http://www.sierracollege.edu/distance/celearning/help-center/getting-started/readiness-assessment.php>

*Used with permission from Sierra College

Successful online students are also computer literate and are able to:

- Access the Internet;
- Send and receive e-mail;
- Send and receive attachments;
- Participate in chat rooms, discussion boards, and instant messenger systems;
- Read and follow directions on a website.

How Can I Learn More About Distance Education?

- Visit <http://www.citruscollege.edu/de> and take the DE online orientation.
- Select the session you are interested in attending and view what is being offered.
- Contact the DE office at 626-914-8831.

How Do I Get Started?

1. You must be admitted to Citrus College as a student. Apply at <http://www.citruscollege.edu/ar>
2. Activate your student e-mail account at <http://outlook.com/student.citruscollege.edu>. You cannot access information or communicate with instructors without it.
3. Before registration, decide which online courses you are interested in taking. Course listings are available in the class schedule online at <http://www.citruscollege.edu>
4. Register online on your appointment day/time at <https://wingspan.citruscollege.edu> for the classes you have chosen.
5. For success tips, see <http://www.citruscollege.edu/de> after you have registered. You can complete the DE Orientation at that time.

NOTE: Some instructors have a mandatory on-campus orientation requirement that takes place before classes begin. You will either receive information about the orientation from your instructor by email or Blackboard, or it may be listed on your schedule at the time of registration.

6. Purchase the materials required for the courses at the college bookstore or online, <http://www.owlbookshop.com>.
7. On the first day of class, go to the class site. Many, though not all, are in Blackboard. When you log in, you are verifying that you are the registered student. Read the syllabus and other posted course materials, and then get started with the coursework. Most instructors post assignments that are due during the first week of the term. Some faculty may send a "Welcome Letter." **Do not fall behind.**

What If I Am Having Trouble Or Need More Information?

The person you should contact in case of difficulties is always your instructor.

Online degrees are available in several subject areas.

Notification of Rights under FERPA and Directory Information Services

The Family Educational Rights and Privacy Act (FERPA) afford eligible students certain rights with respect to their education records. (An “eligible student” under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student's education records within 45 days after the day Citrus College receives a request for access. A student should submit to the Registrar in the Admissions and Records Office a written request that identifies the record(s) the student wishes to inspect. The Registrar or designee will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the Registrar, that official shall advise the student of the correct official to whom the request should be addressed.
2. The right to request the amendment of the student's education records that the student believes is inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

A student who wishes to ask the school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed.

If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the college discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by Citrus College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of Citrus College who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for Citrus College.

Upon request, the school also discloses education records without consent to officials of another school in which a student seeks or intends to enroll on request.

Notification of Rights under FERPA and Directory Information Services

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Citrus College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

FERPA permits the disclosure of PII from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student –

 - Graduation programs; and
 - Sports activity sheets showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a student's prior written consent. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965 (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless students have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want Citrus College to disclose directory information from your education records without your prior written consent, you must submit the Withhold Directory Information Form to the Admissions and Records Office before the start of the term. Un estudiante que desea pedirle a la escuela que se realice una enmienda a su archivo educativo debe dirigirse a la persona encargada de dicho archivo, y claramente identificar la parte del archivo que el estudiante está solicitando sea cambiada, y especificar la razón del cambio.

Si la escuela decide no enmendar al archivo como lo ha solicitado el estudiante, la escuela le notificará al estudiante por escrito de dicha decisión así como del derecho que tiene el estudiante a solicitar una audiencia sobre la solicitud de la enmienda. Información adicional sobre los procedimientos para una audiencia se le darán al estudiante al momento en que se le indique de su derecho

Student Right-to-Know

In compliance with the Student Right-To-Know and Campus Security Act of 1990, it is the policy of the Citrus Community College District and Citrus College to make available its completion and transfer rates to all current and prospective students.

Student Right-To-Know (SRTK) refers to a federally-mandated public disclosure of a college's Completion Rate and Transfer Rate. The intent of SRTK is to provide to the consumer a statistic of comparable effectiveness that they can use in the determination of college choice. All colleges nationwide are effectively required to participate in the disclosure of rates by January 2000.

SRTK is a "cohort" study; that is, a group of students who are first-time freshmen who are enrolled full-time and are degree-seeking is identified in a fall term and their outcomes are measured over a period of time. The outcomes that the two SRTK rates measure are completion (the total number of students in the cohort who earn either a degree, a certificate, or who successfully completed a two-year-equivalent transfer-preparatory program) and transfer (the total number of cohort non-completers who were identified as having enrolled in another institution). The tracking period of the cohorts is three (3) years, at which time the SRTK rates are calculated and made public.

SRTK rates are derived and reported yearly on the IPEDS-GRS (Integrated Postsecondary Educational Data System-Graduation Rate Survey). The IPEDS-GRS also tracks part-time student cohorts over a six (6) year period; however, full-time cohort status after 3 years is the only basis for calculating SRTK rates.

Access to the Citrus College Student Right-To-Know rates and further information about the rates and how they should be interpreted is available through the "Student Right-To-Know Information Clearinghouse web site" maintained by the Chancellor's Office, California Community Colleges at <http://srtk.cccco.edu/index.asp>

Derecho de los Estudiantes a la Información

En cumplimiento del Acta de Derecho de los Estudiantes a la Información y del Acta de Seguridad en el Campus de 1990, es la política de Distrito Citrus Community College y de Citrus College hacer disponible la información sobre los tasa de transferencia y de cursos completados a todos los estudiantes actuales y futuros.

El Derecho de los Estudiantes a la Información (Student Right-To-Know, SRTK por sus siglas en inglés) se refiere al mandato federal que requiere que se haga pública la tasa del porcentaje de estudiantes que se transfieren y que terminan los requisitos. La intención de SRTK es ofrecer al consumidores estadísticas comparativas para que puedan determinar cualquier colegio seleccionar. Se requiere que todos los colegios a nivel nacional participen de forma efectiva en hacer pública esta información a partir del 2000.

SRTK es un "grupo específico" del cual se adquiere información; lo que quiere decir que un grupo de estudiantes que por primera vez entran al colegio, estudiantes "freshmen" que están inscritos de tiempo completo en busca de un título, se inscriben durante el otoño y el resultado de su estudiantes se mide a lo largo de un periodo de tiempo. Los resultados que mide SRTK son la tasa de Cumplimiento (el total del número de estudiantes en el "grupo específico" que logran obtener su título, certificado, o que de forma exitosa terminan un programa equivalente de dos años de transferencia) y la tasa de Transferencias (el número total del "grupo específico" que no lograron completar el curso de estudios y fueron identificados de haberse inscrito en otra institución).

Citrus Community College District Disclosures and Disclaimers Divulgaciones y Denegaciones de Citrus College

El periodo de colección de información del grupo específico es de tres (3) años, durante el cual las tasas de SRTK serán calculadas y se harán públicas. Las Tasas de SRTK se derivan y se reportan cada año en el IPEDS-GRS (Integrated Postsecondary Educational Data System-Graduation Rate

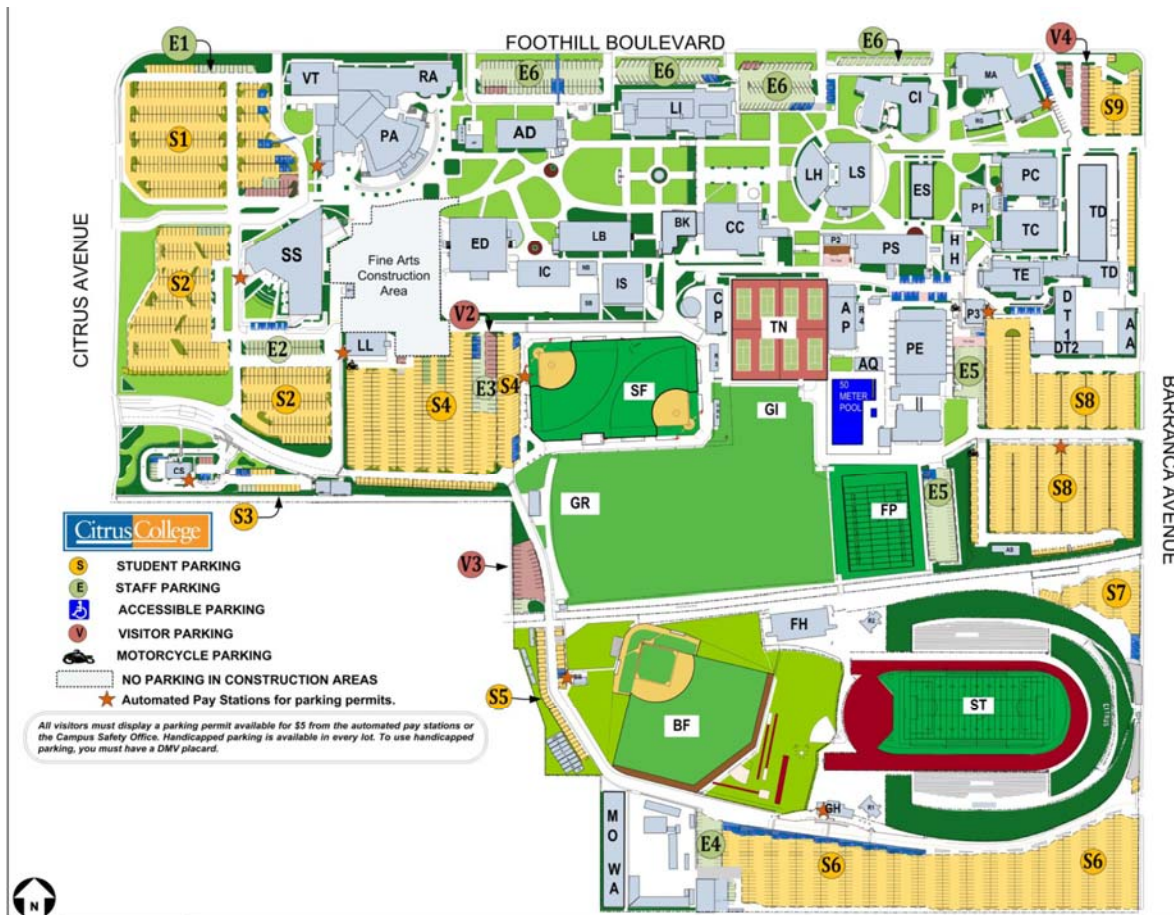

Survey por sus siglas en inglés). El IPEDS-GRS también colecciona información de estudiantes de grupos específicos de medio tiempo durante el transcurso de seis (6) años; sin embargo, la base para calcular la tasa de SRTK para los estudiantes de tiempo completo dentro de los grupos específicos sólo se colecciona por tres años.

Acceso a las Tasas y al Derecho de Información para Estudiantes de Citrus College e información adicional sobre las tasas y sobre cómo deben interpretarse está disponible en el sitio de internet de Acceso a la Información "Student Right-To-Know Information Clearinghouse web site" mantenido por la Oficina del Canciller de los Colegios Comunitarios de California
