

NORWAY

SUMMER 2020

In Oslo, you will see actual Viking ships and other seafaring vessels that Norwegians have used to explore the world. You will cruise the fjords and feel the same currents under your feet as the Vikings. You will hike mountain trails and visit the Holmenkollen Ski Jump, site of the 1952 Winter Olympics. You will visit the National Gallery and see Edvard Munch's *The Scream*, as well as the Royal Palace and the Akershus Fortress, where you will witness the changing of the guard. You will visit the Nobel Institute and Peace Center, along with the City Hall, where the Nobel Peace Prize is awarded annually on the anniversary of Alfred Nobel's death. Lastly, you will enjoy a memorable evening sampling the many shops and restaurants along Karl Johans Gate, Oslo's main thoroughfare and center of nightlife.
